36v Batteries & Chargers. Bosch batteries feature the most advanced Lithium-Ion technology available. They guarantee maximum cycle life, excellent cold weather performance and up to 50% greater run time. With the unique Bosch CoolPack technology, the cells in special 14.4–36 volt lithium-ion batteries are perfectly protected because the especially conductive material (red cooling fins) on the bottom guides heat directly out of the battery to prevent possible overheating of the cells ...
