This type of talent assessment is similar to the work sample, but it involves more on-the-spot work. A job simulation can be done during the interview or via online hiring assessment tools. For example, you can send assessments to candidates that ask them to handle a disgruntled customer over chat, do a presentation, or sell something a bit more complex than a pen.

6 talent assessment methods to use for effective recruiting

2. The Video Interview. Video interviews (Skype, Google Hangouts, FaceTime) are a great alternative to telephone interviews. The fact that you can actually see each other adds a certain level of importance and professionalism to the ' call ' and removes the temptation for either party to multi-task or lose focus.

The 6 Different Types Of Interviews (And Their Pros and Cons).

Types of Jobs Available – most educational institutions are looking for teachers (in particular native English speaking teachers with a teaching license from their home country. There is also a smaller intake for administrators like principals, VPs, and heads of faculty – these leadership jobs are at the top of the pay scale, but typically require very solid experience from back home and ...
