The famous 1962 Port Huron Statement by the Students for a Democratic Society (SDS) introduced the concept of participatory democracy to popular discourse and practice. In *Inspiring Participatory Democracy* Tom Hayden, one of the principal architects of the statement, analyses its historical impact and relevance to today's movements. *Inspiring Participatory Democracy* includes the full transcript of the Port Huron statement and shows how it played an important role in the movements for black civil rights, against the Vietnam war and for the Freedom of Information Act. Published during the year of Port Huron's 50th anniversary, *Inspiring Participatory Democracy* will be of great interest to readers interested in

past that haunts her. Plans laid in place centuries ago are threatening not only her and her sister, but all of the Seven Lines. As the shadows plot their way to old rule, the visions shift again. Her power has led to some hard choices—and the occasional stab wound—but this set of futures holds nothing but darkness. Unable to bear the idea of losing the footing they've so recently gained, she turns the soldiers of the Seven. But with shadows hidden among the ranks, can she overcome the path they've set in place, or is she blindly following their lead?

three fully consolidated democracies in the area: Japan, South Korea and Taiwan. The book argues that all three countries have reached a new era of post high-growth and mature democracy, leading to new social anxieties and increasing normative diversity, which have direct repercussions on the relationship between the state and civil society. It introduces a comparative perspective in identifying and discussing similarities and differences in East Asia based on in-depth case studies in the fields of environmental issues, national identities as well as neoliberalism and social inclusion that go beyond the classic dichotomy of state vs "liberal" civil society.
