Congregationalist polity - Wikipedia

Answer: Congregationalism speaks of a form of church government. [Episcopal] church government is rule by bishops, [presbyterian] church government is rule by elders, and [congregational] church government is rule by the congregation. Episcopal government usually includes a hierarchy over the local church, and presbyterian government sometimes does as well.

Congregational churches are Protestant churches in the Reformed tradition practising congregationalist church governance, in which each congregation independently and autonomously runs its own affairs. Congregationalism, as defined by the Pew Research Center, is estimated to represent 0.5 percent of the worldwide Protestant population; though their polity-related customs and other ideas influenced significant parts of Protestantism, as well as other Christian congregations. The report defines it

A view of congregationalism, its principles & doctrines ...

Congregationalism is unique in its emphasis on the spiritual autonomy of each congregation. The congregation, however, is not thought of as any casual gathering of Christians but as a settled body, with a well-defined constitution and offices, that has ordered itself according to the New Testament's understanding of the nature of the church.

In episcopacy the control of church affairs is almost entirely withdrawn from the people; in congregationalism it is almost entirely exercised by the people; in Presbyterianism it rests with a council composed of duly appointed office-bearers chosen by the people. The ecclesiastical unit in episcopacy is a diocese, comprising many churches and ruled by a prelate; in congregationalism it is a single church, self-governed and entirely independent of all others; in Presbyterianism it is a ...
