while we're at it. Elaine Whitehouse is a teacher, family court and private psychotherapist, mother of two and leader of parenting skills workshops for eight years. Warwick Pudney is a teacher and counsellor with ten years experience facilitating anger management, abuser therapy and men's change groups, as well as being a father of three. Both regularly conduct workshops.

A Volcano in My Tummy is about helping 6 to 15 year olds handle their anger so that they can live successfully, healthily, happily and nonviolently, with motivation, without fear and with good relationships. An accessible resource book for teachers, parents and all who care for children, it is full of stories, and easy-to-use games and exercises designed to

# Read Free A Volcano In My Tummy Helping Children

encourage children to see their anger and to deal constructively with it. A Volcano in My Tummy includes sections on key concepts, building a child's self esteem, what adults can do when a child is angry, developing an anger management program, troubleshooting, and a special section for teachers that integrates the resource with other curriculum areas. Exercises are clearly described, indicating appropriate age levels, teaching strategies, materials and procedures to follow, with worksheets for the childrens' use. All are easily adaptable for use by teachers, parents or other caregivers.

This book teaches children to manage their thoughts and words without interrupting.

# Read Free A Volcano In My Tummy Helping Children

Shows how to recognize feelings of anger, discusses how angry feelings are created, and suggests ways to calm down and deal with the emotion.

A unique approach to anger management using small group process.

By working through the activities in I'm Not Bad, I'm Just Mad, children with anger control problems can develop better emotional and behavioral control. Kids will learn how to identify the things that make them angry, become better problem solvers, talk about their frustrations, and much more.

This book is packed with advice and strategies for understanding and managing anger in children under five,

# Read Free A Volcano In My Tummy Helping Children

with guidance on how to help a parent or caregiver to cope with their angry feelings too. The authors outline the different reasons children may feel, and offer strategies to combat negative feelings and minimize outbursts.

This book is full of creative ideas for use with children who have difficulty in coping with change, stress and normal levels of anxiety. Supported by a comprehensive but accessible theory section, the practical exercises are a simple and fun way of helping children to learn healthy stress management strategies. Deborah Plummer offers over 100 activities and games specifically aimed at helping children to build emotional resilience. With a mixture of short, snappy activities and longer guided visualizations, these

# Read Free A Volcano In My Tummy Helping Children

exercises are suitable for use with individuals or groups, and many are appropriate for use with children with complex needs or speech and language difficulties. This unique photocopiable activity book will be an invaluable resource for parents, carers, teachers, therapists and anyone looking for creative, enjoyable ways of helping children to cope with change, stress and anxiety. It is primarily designed for use with individuals and groups of children aged 7-11, but the ideas can easily be adapted for both older and younger children and children with learning difficulties.

On the first day of school, a student is confused by many of the phrases that are used, such as when the librarian says not to open a can of worms, or

When the teacher says he expects the class to be busy bees doing their homework.

Praise for the author: 'Deborah Plummer uses imagination and empowerment to move children and adults from discouragement to success.' - The Canadian Child and Adolescent Psychiatry Review  
'Deborah Plummer shows a fundamental respect for a child's integrity whilst making sure her language and ideas accessible to a wide range of people.' - Afasic News  
This practical handbook helps adults to understand, manage and reflect constructively on children's anger. Featuring a wealth of familiar and easy-to-learn games, it is designed to foster successful anger management strategies for children aged 5-12. The

# Read Free A Volcano In My Tummy Helping Children

book covers the theory behind the games in accessible language, and includes a broad range of enjoyable activities: active and passive, verbal and non-verbal, and for different sized groups. The games address issues that might arise in age-specific situations such as sharing a toy or facing peer pressure. They also encourage children to approach their emotions as a way to facilitate personal growth and healthy relationships. This is an ideal resource for teachers, parents, carers and all those working with anger management in children.
