Oral literature (or orature) is often sung or recited, by bards or griots (West African praise-singers, poets or musicians) and can take the form of songs, with tongue-twisters, recitations, poetry, proverbs and riddles. Manners, customs, superstitions, ballads, proverbs, etc. are roughly the constituents of oral literature.

The Very Beginning: Introduction to African Oral Literature

African literature, the body of traditional oral and written literatures in Afro-Asiatic and African languages together with works written by Africans in European languages. Traditional written literature, which is limited to a smaller geographic area than is oral literature, is most characteristic of those sub-Saharan cultures that have participated in the cultures of the Mediterranean.

What Is African Literature | History Of African Literature ...

African literature is literature of or from Africa and includes oral literature. As George Joseph notes in his chapter on African literature in Understanding Contemporary Africa, whereas European views of literature often stressed a separation of art and content, African awareness is inclusive: "Literature" can also simply mean an artistic use of words for the sake of art alone. Traditionally, Africans do not radically separate art from teaching. Rather than write or sing for beauty in itself, A

African literature - Wikipedia

African-American literature has its roots in the oral traditions of African slaves in America. The slaves used stories and fables in much the same way as they used music. [1] These stories influenced the earliest African-American writers and poets in the 18th century such as Phillis Wheatley and Olaudah Equiano .

African-American culture - Wikipedia

The discipline of African oral literature has grown steadily from its foundations in the anthropological study of nonliterate societies to its status today as a literary enterprise concerned with the artistic foundations of human culture. Isidore Okpewho is one of a handful of African scholars who has facilitated this growth.
