Like a pointillist painting, Maggie O'Farrell's fine debut *After You'd Gone* is, from one perspective, formless--short vignettes, told from multiple points of view and in multiple voices, that are somewhat puzzling on their own and apparently have no connection to each other. Ultimately, however, these elements merge into a coherent and moving portrait of a young woman's journey toward a life-threatening crisis.

novel of wrenching love and grief. A distraught young woman boards a train at King's Cross to return to her family in Scotland.

*After You'd Gone - Maggie O'Farrell - Google Books*

After you'd gone is the third book I have read by Maggie O'Farrell and it didn't disappoint. The story weaves between past and present giving slow insight into how and why Alice is in the situation we find her. The descriptions of Alice's grief and longing are intense and deeply moving. The narrator's voice was perfect for this story.
