Elsewhere author William Boyd occasionally misplaces his tongue too obviously in his cheek--the Wall Street Crash is trailed with truly crashing inelegance--but overall *Any Human Heart* is a witty, inventive and ultimately moving novel. Boyd succeeds in conjuring not only a compelling 20th century but also, in the hapless Logan Mountstuart, an anti-hero who achieves something approaching passive greatness.

In his 2002 novel *Any Human Heart: the Intimate Journals of Logan Mountstuart*, William Boyd tells the long, absurdly eventful life-story of his protagonist across 512 pages. It's a novel so...

Every life is both ordinary and extraordinary, but Logan Mountstuart's - lived from the beginning to the end of the twentieth century - contains more than its fair share of both. As a writer who finds inspiration with Hemingway in Paris and Virginia Woolf in London, as a spy recruited by Ian Fleming and betrayed in the war and as an art-dealer in '60s New York, Logan mixes with the movers and shakers of his times. But as a son, friend, lover and husband, he makes the same mistakes we all do in our search for happiness. Here, then, is the story of a life lived to the full - and a journey deep into a very human heart.

The journals of Logan Mountstuart chronicle his eighty-five years of life, from his boyhood in Uruguay to his education at Oxford, his

wartime exploits, his career as an art dealer, and his retirement in France.

When he is hired as the personal piano tuner for a brilliant pianist, Brodie Moncur suddenly finds himself swept up into a life of luxury that he could never have imagined. But while accompanying his new employer on tours from Paris to St. Petersburg, Brodie falls madly in love with the Russian soprano Lika Blum: beautiful, worldly, seductive--and forbidden. Though seemingly doomed from the start, Brodie's passion for Lika only grows as their lives become increasingly more intertwined, more secretive, and, finally, more dangerous. A tale of dizzying passion and brutal revenge; of artistic endeavor and the illusions it can create; of the possibilities that life offers and the cruel speed with which they can be snatched away, *Love Is Blind* is a dazzling work of historical fiction that unfolds across fin de siècle Europe.

A thrilling, plot-twisting new novel set in Europe during the first world war, from the bestselling author of *Any Human Heart*, *Restless* and *Ordinary Thunderstorms*.

with a dark undertow, set around three unforgettable individuals and a doomed movie set. A producer. A novelist. An actress. It's summer 1968--a time of war and assassinations, protests and riots. While the world is reeling, our trio is involved in making a disaster-plagued, Swingin' Sixties British movie in sunny Brighton. All are leading secret lives. As the movie shoot zigs and zags, these layers of secrets become increasingly more untenable. Pressures build inexorably. The FBI and CIA get involved. Someone is going to crack--or maybe they all will. From one of Britain's best loved writers comes an exhilarating, tender novel--by turns hilarious and heartbreaking--that asks the vital questions: What makes life worth living? And what do you do if you find it isn't?

With mounting fear, Sally confides with her daughter Ruth; a woman struggling with her own past. Sally drops a bombshell. She is actually Eva Delectorskaya, a Russian émigré recruited as a spy by the British prior to the Second World War. For the past thirty years, Eva has led a second life hiding from the ghosts of her past. Eva reveals her secret to her daughter through a series of written chapters for a planned book. As Ruth delves into her mother's writing, she learns the shocking truth. Eva was recruited in Paris prior to the Second World War, following the death of her brother Kolia; also a British spy. Taught by an enigmatic spymaster named Lucas Romer, Eva learned the art of espionage and was made part of a unit specializing in media manipulation. Above all, she was taught 'Rule Number One' of spying: trust no one – a rule broken when she and Romer began a dangerous love affair. The affair had tragic consequences. In 1941, Eva and Romer were assigned to the United States. They were given the task of manipulating the American media into motivating the public to support entry into the war on the Allied side. While in New York, Eva's affair with Romer set in motion events that culminated in her betrayal and her flight from the British Secret Services. She found eventual refuge in a new life as Sally Gilmartin. Thirty years later, Eva's identity unravels with her confession to her daughter. Ruth struggles with the truth, and her

own recent past fills her with self-doubt and insecurity. A failed relationship in Germany resulted in a son and an eventual return to England. Her mother's confession leads Ruth to the realization that her mother is entangling her in one final mission – a showdown with Eva's past betrayer. Restless twists and turns through the double life of one remarkable woman. Through Eva's life, William Boyd asks the intriguing question – How well do we truly know someone?

In the spring of 1949, Stella O'Riain flees her home - a sheep property on the barren edge of the Strzelecki Desert. She leaves behind the graves of her husband Joe and her baby daughter. With no money and limited options, Stella accepts her brother-in-law Harry's offer to live at the O'Riain cane farm in the Richmond Valley. There she hopes to get answers to the questions that plague her about her marriage. However Harry refuses to discuss Joe or the family's secrets, even forbidding her to speak to the owner of the neighbouring property. Nearly a century earlier in County Tipperary, Irish cousins Brandon and Sean O'Riain also fled their homes - as wanted criminals. By 1867, they are working as cedar-cutters in New South Wales's lush green Richmond Valley. But while Brandon embraces the opportunities this new country offers, Sean refuses to let go of the past. And one cousin is about to make a dangerous choice that

When William Boyd published his biography of New York modern artist Nat Tate, a huge reception of critics and artists arrived for the launch party, hosted by David Bowie, to toast the late artist's life. Little did they know that the painter Nat Tate, a depressive genius who burned almost all his output before his suicide, never existed. The book was a hoax, and the art world had fallen for it. Nat Tate is a work of art unto itself-an investigation of the blurry line between the invented and the authentic, and a thoughtful tour through the spirited and occasionally ludicrous American art scene of the 1950s. William Boyd is the author of nine novels, including *A Good Man in Africa*, winner of the Whitbread Award and the Somerset Maugham Award; *An Ice-Cream War*, winner of the John Llewellyn Rhys Memorial Prize and shortlisted for the Booker Prize; *Brazzaville Beach*, winner of the James Tait Black Memorial Prize; and *Restless*, winner of the Costa Novel of the Year Award. Praise for *Nat Tate*: "William Boyd's description of Tate's working procedure is so vivid that it convinces me that the small oil I picked up on Prince Street, New York, in the late '60s must indeed be one of the lost Third Panel Triptychs. The great sadness of this quiet and moving monograph is that the artist's most profound dread-that God will make you an artist but only a
