Appreciative Inquiry : a positive revolution approach in ...

Appreciative inquiry is a model that seeks to engage stakeholders in self-determined change. According to Bushe "AI revolutionized the field of organization development and was a precursor to the rise of positive organization studies and the strengths based movement in American management." It was developed at Case Western Reserve University's department of organizational behavior, starting with a 1987 article by David Cooperrider and Suresh Srivastva. They felt that the overuse of "problem solv
