Then 2 months in the door seal just suddenly snapped, so the oven leaks heat. 6 phone calls to Baumatic and every operator has stated I must pay combined fee of around £200 for call out and repair, even under warranty. They flat refuse to simply post me a new oven seal to fit myself.

Excerpt from Midwifery Illustrated The second edition presents some improvements. The translation has been carefully revised and corrected, and in the appendix will be found the results of the late researches of Prof. Breschet on the Human Ovum. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This vintage book contains a simple, concise guide to bottling fruit and vegetables, including simple step-by-step instructions and a selection of recipes and articles on the subject. This detailed guide will be of considerable utility to those with a practical interest in preserving home-grown produce. It will make for a worthy addition to any collection of fruit growing literature. Although old, the information contained within its pages will be useful to the modern reader, making it both a handy resource and an appealing text for collectors. The chapters of this volume include: 'Bottling Soft Fruits', 'Bottling Stone Fruits', 'Bottling Various Fruits and Vegetables', 'Fruit Bottling', 'Home Bottled Fruits and How to do Them', and 'Bottling or Canning'. We are republishing this vintage text now in an affordable, modern edition - complete with a specially commissioned introduction on food preservation.

In an English seaside town, lovers and children, men and women weave in and out of each other's lives and stories. A mother is tormented by her daughter's tattoo; another only pretends to love her baby. A wife stalks her husband and his new lover; a broken egg through a mailbox tells a story that will not go away; the cat thinks he knows best. Threaded throughout are longings for love and poignant disappointments, surprising pleasures and temptations. Some will fall but some, like the small boy at the circus who sees his babysitter fly past on a trapeze wearing little more than a blue bra and spangles, will retain their feeling of awe. The stories in Perfect Lives are rueful, knowing, witty, poignant, bashful, bold. Polly Samson's genius is in the nuance.

Tea Master Davey believes Hopper Smith is the boy in the legend that can save the Blue Tiger tea. But does Hopper have what it takes to save the most precious tea?

Wearing jewelry is essential to helping women developed their own style. For women wishing to create a look that's unique, the last thing they'll want to invest money in is mass produced pieces of jewelry. It's for this reason alone, learning the skills needed for making silver and paracord bracelets could prove extremely beneficial. When it comes to making such pieces you need to know where to purchase the right kinds of supplies. In this book, " Silver Jewelry Making & Paracord Bracelets For Beginners: A Complete Step by Step Guide (Special 2 In 1 Edition)" not only do we discuss what's needed to start your own silver & paracord bracelet making venture but also provide several projects you may want to try out. The actual process of turning a piece of silver into a piece of jewelry is not only very technical, but also allows your artistic side to flourish. Once you've finished making silver jewelry either for yourself or for someone else, it can prove extremely satisfying, especially as you watch the piece develop and grow. In addition, the book also explains how the resilient parachute cord can be used to make bracelets and other items that can not only serve as a piece of fashion but also serves as a survival tool of needed. The book goes through the basics, explaining what exactly the Paracord is and then going into exactly how it can be used to make pieces of jewelry. The text is ideal for the consummate hobbyist that is always seeking new and fun things that they can do in their spare time. For more tips and tricks, download " Silver Jewelry Making & Paracord Bracelets For Beginners: A Complete Step by Step Guide (Special 2 In 1 Edition)" now!

Up-to-Date Coverage of Microwave Transmission Networks Fully revised for the latest North American and ITU standards. Microwave Transmission Networks, Second Edition covers all stages of terrestrial point-to-point microwave network build-out, from planning and feasibility studies to system deployment and testing. This definitive volume is thoroughly updated with new information, including details on the impact of Ethernet and IP communications on microwave links. Useful formulas for solving microwave design-related problems are contained in this practical resource. Find out how to: Plan, design, and build microwave point-to-point networks Determine network capacity, dimensions, architecture, budget, schedules, and work force requirements Understand microwave link engineering Calculate loss/attention, fading and fade margins, and link quality and availability Perform interference analysis Determine, procure, and install required hardware and power systems Manage the microwave project and its regulatory issues, ethical dilemmas, logistical concerns, and organizational challenges Test the microwave system throughout every stage of development and deployment Handle maintenance, troubleshooting, and upgrades

What happens after you die? What is Heaven like? What do angels do? This book describes the visions of many believers including General William Booth the founder of the Salvation Army.

Most students have the hardest time with the difficult Logic Games section of the LSAT. This collection features games that are long, complicated, and intricate and require good strategy and full attention. Complete answer explanations are included.
