The exclusive behind-the-scenes story of the Mauricio Pochettino revolution at Spurs, told in his own words The Sunday Times Bestseller 'An unparalleled insight into one of the most exciting managers currently working in football' Independent Since joining the club in 2014, Mauricio Pochettino has transformed Tottenham from underachievers into genuine title contenders. In the process, he has marked himself out as one of the best young managers in the world, more than holding his own against the Premier League's established heavyweights. He has done so by promoting an attacking, pressing style of football and by nurturing home-grown talent, fully endearing himself to the Spurs faithful along the way. Guillem Balagué was granted unprecedented access to Pochettino and his backroom staff for the duration of the 2016-17 season, and he has therefore been able to draw on extensive interview material with Pochettino, his family, his closest assistants, players such as Dele Alli and Harry Kane, and even a very rare conversation with Daniel Levy to tell the manager's story in his own words. From Pochettino's early years as a player and coach to his transformation of Tottenham into one of the best teams in England, the book uniquely reveals the inner workings of the man and of his footballing philosophy. It also lays bare what it takes to run a modern-day football team competing at the highest level over the course of a single campaign. The result

is the most comprehensive and compelling portrait of a manager and of a club in the Premier League era.

MARADONA is the definitive new biography of a true global icon, from world-renowned football writer and journalist Guillem Balagué. Diego Armando Maradona was widely acclaimed as a genius. One of the greatest footballers of all time, he was also one of the most controversial. In an international career with Argentina he earned 91 caps and scored 34 goals and played in four FIFA World Cups. With his unforgettable 'hand of God' goal and unsurpassed second one in the 1986 quarter-final against England, he captained his nation and led them to victory over West Germany in the final in Mexico. His vision, passing, ball control and dribbling skills, and his presence and leadership on the field, often electrified his own team's overall performance. Maradona's club career included dazzling spells in his own country at Argentinos Juniors, Boca Juniors and Newell's Old Boys, and in Europe with Barcelona, Napoli and Sevilla. Yet his life was one of relentless media attention, including tales of drug abuse and constant health issues. Based on in-depth interviews and first-hand stories, Guillem Balagué's masterly biography represents a psychological and sociological approach to the legend. This journey of exploration takes Guillem to Argentina, Spain, Italy and Dubai. Along the way, he asks what fosters such adulation, and how this adoration engendered a self-destructive personality. Even after his untimely death in 2020, Maradona continues to fascinate: his divine status seemingly preserved for ever.

This fully updated edition of the international bestseller includes Pep Guardiola's Bayern years and his decision to join Manchester City Pep Guardiola is the most successful and sought after football coach in the world. After being

appointed first-team manager in 2008, he transformed Barcelona into arguably the greatest club side of all time, winning an unprecedented thirteen trophies in four years. Following a shock sabbatical from the game, he replaced Jupp Heynckes at the helm of Bayern Munich at the start of the 2013-14 season, twice winning the Double in his three years in charge. He then announced that he would be joining Manchester City for the 2016-17 season, thereby beginning what could prove to be his greatest challenge yet: turning them into a team that consistently wins in the most difficult of leagues and a regular challenger in the Champions League . . . and doing it the Guardiola way. Guillem Balagué has followed Pep's career from the outset and has had direct access to the man and his inner circle. This then is the definitive portrait of Pep Guardiola and his relentless pursuit of footballing perfection.

The definitive biography of Cristiano Ronaldo, named Football Book of the Year at the Cross Sports Book Awards 2016 Fully updated to include the 2017-18 season and Ronaldo's transfer to Juventus Cristiano Ronaldo is one of the greatest footballers of all time, a dream he pursued from the age of just twelve when he left his humble origins on Madeira behind. It wasn't long before he had the biggest clubs in Europe knocking on his door, but it was Manchester United who won the race for his signature. Under the tutelage of Sir Alex Ferguson, Ronaldo developed into the complete footballer and athlete, winning three league titles and a Champions League along the way. He then became the biggest galáctico of them all when he transferred to Real Madrid for a record-breaking fee. Unprecedented success in the Champions League and a record-equalling five Ballons d'Or followed, before his sensational move to Juventus in the summer of 2018. Guillem Balagué, respected football

journalist and expert on the Spanish game, provides the definitive account of a twenty-first-century footballing icon.

The story of one of the greatest footballers of all time, Barcelona and Argentina's Lionel Messi. 'I have seen the player who will inherit my place in Argentine football and his name is Messi' Diego Maradona Despite all the fame and adulation, remarkably little is known about Lionel Messi, the modest and intensely private footballing genius. Just how did the boy from Rosario, Argentina, become the world's greatest player? Guillem Balague has had unprecedented access to Messi's inner circle: his coaches, team-mates and family. In addition, Pep Guardiola has provided exclusive analysis of the player. The result is an authoritative and compelling account of the wonderful mystery that is Messi. 'I can tell my grandkids one day that I coached Lionel Messi' Pep Guardiola

Biographical Portrait of Liverpool's Spanish football manager Rafael Benitez and an extraordinary season for the club. When Rafael Benitez was appointed manager of under-achieving Liverpool at the start of the 2004-2005 season, the reaction of many fans was 'Who the **** is Rafael Benitez?'. The Liverpool fans had grown used to French manager Gerard Houllier but he had been a fan of the club himself since his days as a teacher on Merseyside. A Spaniard with admittedly a wonderful record at Valencia was going to take over management of Liverpool's famous Boot Room and try and win over a disillusioned Kop. But in one season, Benitez's importation of Spanish players, coaching methods and diet has led to a revolution, even usurping Jose Mourinho's Chelsea, whereby the team has ended the season winning the ultimate trophy for any European club - the European Champions League. No fan will ever forget the

comeback from a 3-0 deficit to a 3-3 scoreline, then dramatic success in the penalty shoot-out. This is the story of Rafa's remarkable success.

A Financial Times Sports Books of the Year 2018 Cristiano and Leo is the fascinating account of the lives and rivalry between two of the best footballers to ever play the game, Ronaldo and Messi by Jimmy Burns, the bestselling author of Maradona: The Hand of God. The rivalry between Ronaldo and Messi has defined football to a generation of fans – everyone has an opinion on who is the greatest. Do you prefer Ronaldo whose work ethic and physique have been honed for one purpose – scoring goals. Or Messi, whose superhuman natural talent means he can do the seemingly impossible with a football. Between them they have scored over 1300 goals, won the Ballon d'Or ten times, and taken the beautiful game to even greater heights. But statistics alone cannot do justice to their skill, athleticism and dedication to stay at the top for so long of one of the most competitive sports in the world. Cristiano and Leo tells their definitive story, from children kicking a ball halfway around the world from each other to facing each other in the epic clash El Clásico, between Real Madrid and Barcelona. This is the essential book to understand one the most compelling rivalries in sporting history.

The incredible story of how one man inspired a nation of underdogs to achieve sporting greatness. It is late summer 2013. Ben Ryan, a red-haired, 40-something, spectacle-wearing Englishman, is given 20 minutes to decide whether he wants to coach Fiji's rugby sevens team, with the aim of taking them to the nation's first-ever Olympic medal. He has never been to Fiji. There has been no discussion of contracts or salary. But he knows that no one plays rugby like the men

from these isolated Pacific islands, just as no one plays football like the kids from the Brazilian favelas, or no one runs as fast as the boys and girls from Jamaica's boondocks. He knows too that no other rugby nation has so little - no money and no resources, only basic equipment and a long, sad history of losing its most gifted players to richer, greedier nations. Ryan says yes. And with that simple word he sets in motion an extraordinary journey that will encompass witchdoctors and rugby-obsessed prime ministers, sun-smearing dawns and devastating cyclones, intense friendships and bitter rows, phone taps and wild nationwide parties. It will end in Rio with a performance that not only wins Olympic gold but reaches fresh heights for rugby union and makes Ben and his 12 players living legends back home.

1850s Rome. Goffredo, Sandor, and Eleonora, selfless idealists fighting for Italian unification, find a medallion after a violent face-off with French soldiers on the last day of battle for the new Italian Republic. The medallion is connected to an elusive treasure which, if found, could help the French Emperor Napoleon III secure his place in history. Ignorant of these connections, and desperate for money, the three friends consider having the medallion melted down; but circumstances have it otherwise. Meanwhile, Eleonora, Goffredo, and Sandor continue their fervent fight for freedom: first in Italy, on the side of Garibaldi, Margaret Fuller and Cristina Belgioso, and then in America in the Civil War wherein they re-find themselves years later. Meanwhile, Eleonora and Sandor fall in love; but only Eleonora and Goffredo get married. And through it all, they keep finding themselves in strange moments of danger which connect them to the medallion. They live the rest of their lives in an

uncertain truce masked in the mystery contained in the medallion—a mystery finally resolved in the twenty-first century by their great-great granddaughter, Angie Cebreli. The source of the mystery goes back to a caste of Northern Italian merchants who specialized in moving trade-route gold and silver from one place to another, and in lending credit at trade fairs in Europe between 12th and 15th centuries: What town or city, in the Western World today, doesn't have a Lombard Street to remember them by? And yet they were not from Lombardy but from Piedmont—a peaceful Barolo-wine-producing area, the casane and the Monferrato; that dynasty once ruled the world, achieving its zenith of power under Pope Boniface I, the benevolent ruler of Constantinople in the immediate aftermath of its brutal sacking by Crusaders in 1204. Previously, only Boniface I and the casane were aware of the existence of an ancient treasure—a fragment of Alexander the Great's last treasure buried nearby with the Roman Emperor Aurelian. This is the treasure that comes to light in Rome in the 19th century. 2008s America. Angie Cebreli, wearing her inherited medallion during a Gettysburg Civil War reenactment, receives a bullet in the arm. A photo of her medallion is found a few days later in Rome next to the mutilated body of Father Kevin, a priestly scholar of Ancient Art and a student Mithraism, a lost religion. She joins forces with the unconventional Italian police detective, Filippo Dardanoni, who has been tailing her for clues about the priest's murder. Moving in on the treasure for reasons of its own, Dardanoni has to also deal with the dangerous and powerful Vatican Bank. Questions: Who will find the treasure? Can it be right under our noses and us not able to touch it?
