Every woman was once a little girl. And every little girl holds in her heart her most precious dreams. She longs to be swept up into a romance, to play an irreplaceable role in a great adventure, to be the beauty of the story. Those desires are far more than child's play. They are the secret to the feminine heart. And yet, how many women ever find that life? As the years pass by, the heart of a woman gets pushed aside, wounded, buried. She finds no romance except in novels, no adventure except on television, and she doubts

very much that she will ever be the Beauty in any tale. Most women think they have to settle for a life of efficiency and duty, striving to be the women they "ought" to be, but often feeling they have failed. Sadly, too many messages for Christian women add to the pressure. "Do these ten things, and you will be a godly woman." The effect has not been good on the feminine soul. But her heart is still there. Sometimes when she watches a movie, sometimes in the wee hours of the night, her heart begins to speak again. A thirst rises within her to find the life she was meant to live, the life she dreamed of as a little girl. In this video Bible study, the message of Captivating is that your heart matters more than anything else in all creation. the weight of the pressure to be a "good servant," a nurturing caregiver, passionate lover, or capable home manager. What the Wild at Heart Field Manual did for men, the Captivating: A Guided Journal can do for women. By revealing the three distinctly female desires every woman shares, John and Stasi Eldredge invite participants to recover their feminine hearts, which may have suffered many wounds but were originally defined in the image of a passionate God.

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and

desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

Expanding on themes in the bestseller *Captivating*, Stasi Eldredge wrote this book to encourage mothers. She writes, "Every cry out to God in the midst of weariness and loneliness and sorrow for the strength to love; for the wisdom to discipline well; for the grace to respond with patience; for the help to soothe the ache in your heart, deepens His presence in your soul and changes you ever more into the woman you desire to be; the woman you are becoming . . . the

woman you were created to be." *You Are Captivating* celebrates the glorious design and beauty of a mother released to be all she was meant to be. Available for the first time in hardcover and beautifully designed with 2-color interiors, this book is perfect for gift giving and will encourage and inspire every mother with the knowledge that she is truly captivating.

God has dreams—just for you *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal

ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the “self” he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*.

Morgan Snyder's *Becoming a King* unabashedly speaks directly to men, teaching them the life-changing truth about the power that God intends for them to responsibly step into for his kingdom,

while also giving women an honest peek behind the curtain into the lives and hearts of the men they know and love. It is God's design, desire, and intention to empower humans and entrust them to participate in the ongoing creativity of the universe. Yet a look at our history and the world around us shows that the story of most men is being entrusted with power and having that power bring harm to themselves and those under their care. What's gone wrong? When can you entrust a man with power? In *Becoming a King*, Morgan Snyder shares that when we take a deeper pass at the external problems around us, we begin to see the problems within our souls. Yet Morgan suggests there is hope in an ancient path that leads men to become trustworthy kings. Journey with Morgan as he walks alongside men (and the women who love and encourage them) to rediscover this path of inner transformation. *Becoming a*

King is an invitation into a radical reconstruction of much of what we've come to believe about God, ourselves, and the meaning of life. It's an invitation to a rare and remarkable fellowship of like-hearted kings and an honest conversation about what power and responsibility look like for men in our world today. Traveling the path isn't cheap. It isn't easy. It isn't quick. But it is the heroic journey detailed within the pages of *Becoming a King* that leads to real life; to men becoming as solid and mighty as oak trees, teeming with strength and courage to bring to a hurting world; and to our sons, husbands, brothers, and friends becoming the kind of kings to whom God can entrust his kingdom.
