A lost city in the desert, wolf packs, a book, and, of course, a sword...The Book and the Sword was Louis Cha's first novel, published in 1955, and quickly established him as one of the new masters of the wuxia genre. The novel is panoramic in scope and includes the fantastical elements for which Cha is well-known: secret societies, kung fu masters, a lost desert city guarded by wolf packs, and the mysterious Fragrant Princess, an embellishment of an actual historical figure - although whether she actually smelled of flowers, we will never know. Further to that Cha revives the legend about the great eighteenth-century Manchu Emperor Qian Long which claims that he was in fact not a Manchu but a Han Chinese as a result of a baby swap. The Book and the Sword is a rip-roaring tale of Chinese kung fu masters battling it out for the future of the Chinese empire and control of central Asia.

Setiap generasi pasti mempunyai ceritanya masing-masing, dimana satu dan lainnya pastilah berbeda. Buku ini sendiri bercerita tentang masa putih abu-abu dari generasi tak bergawai, masa SMU dari generasi era 90-an. Pada saat itu sendiri perkembangan ilmu pengetahuan belumlah sepesat sekarang, dalam segala keterbatasan itulah mereka belajar dan tumbuh bersama menuju kedewasaan. Meskipun dalam penulisannya menggunakan kata ganti orang pertama, buku ini bukanlah sebuah autobiografi. Karena siapalah saya, orang yang menulis dan menceritakan kehidupannya sendiri. Buku ini adalah sebuah novel fiksi komedi yang ditulis saat awal pandemi melanda negeri ini.

SUN GO-KONG, Si Kera Sakti, adalah tokoh legenda paling populer dalam khazanah pustaka Tiongkok. Banyak sekali buku, teater, sandiwara, opera, wayang potehi, lm, dan serial televisi mengenai dirinya. Kendati demikian, belum ada buku yang secara terperinci menuturkan riwayatnya, khususnya dalam bahasa Indonesia, selama lebih dari setengah abad terakhir. Dalam buku yang digubah dari See Yu Ki, Kisah Ziarah ke Barat ini, dituturkan secara lengkap asal-usulnya, ambisi dan pergulatan hidupnya selama mengabdikan kepada Pendeta Tong Sam-cong, seorang padri muda, untuk melakukan ziarah ke Tanah Barat guna mengambil Kitab Suci dari Sang Buddha yang akan diamalkan di seluruh Tiongkok. Membaca kisah ini, tersingkap banyak adat-istiadat serta tata cara dari zaman Tiongkok kuno yang masih berlaku dan tetap relevan sampai hari ini.

A Snake Lies Waiting is the next in Jin Yong's high stakes, tension-filled epic Legends of the Condor Heroes series, where kung fu is magic, kingdoms vie for power and the battle to become the ultimate kung fu master unfolds. Guo Jing has confronted Apothecary Huang, his sweetheart Lotus Huang's father, on Peach Blossom Island, and bested the villainous Gallant Ouyang in the three trials to win the hand of his beloved. But now, along with his two friends and shifus, Zhou Botong of the Quanzhen Sect, and Count Seven Hong, Chief of the Beggar Clan, he has walked into another trap. Tricked into boarding a unseaworthy barge by Apothecary Huang, the three friends will surely drown unless Lotus—who has overheard her father's plans—can find a way to save them. Yet even if they are to survive the voyage, great dangers lie in wait on the mainland. Viper Ouyang, the gallant's uncle and one of the Five Greats of the martial world, is determined to have his revenge on Guo Jing for getting the better of his nephew, and bent on becoming the most powerful master of the wulin. Meanwhile, Yang Kang, who Guo Jing has come to trust, has yet to reveal the full extent of his treachery.

Preserved in music, dance, and art—as well as in ritual, tribal law, and mythology—the fighting arts of the Indonesian archipelago play a central role in Indonesian culture. *The Martial Arts of Indonesia* is a heavily illustrated and well-researched work from revered martial arts scholar and teacher Donn F. Draeger. Draeger offers an expert's perspective on the story of Indonesia's martial culture, providing a comprehensive introduction to the sophisticated forms of empty-hand combat. These acrobatic fighting styles like Pencak Silat—which was granted World Cultural Heritage status by UNESCO in 2019—and Kuntao are growing in popularity around the world. This book also has extensive information on traditional Indonesian weapons including: Keris: A dagger with a waved blade and pistol-grip handle Kujang: A sickle-shaped dagger with a distinctive curve Rencong: An L-shaped knife with a slightly curved blade Draeger shows how these unique Indonesian forms are related to their mainland cousins, provides a historical context for their development, and describes the various combat methods employed throughout Indonesia. This edition includes a new foreword by Gary Nathan Gartenberg, the world's leading expert on Indonesian martial arts, which explains the lasting importance of this classic study of an ancient martial tradition. With over 400 photos and illustrations of moves and weapons that showcase the intricacies of the Indonesian fighting forms, *The Martial Arts of Indonesia* is an indispensable addition to any martial artist's library.

This is the third and final volume of the picaresque historical romance by one of China's most popular authors. It tells the story of Trinket, an irreverent and comic anti-hero, and his adventures through China and Chinese history, spanning more than twenty years at the beginning of the Qing dynasty.
