Provides information on grammatical rules and how to use them, with advice on adding variety to writing, and examples of the right and wrong way to say things.

In this second edition of The Uses of Grammar, Judith Rodby and W. Ross Winterowd develop their successful first edition with new examples, more discussion questions and exercises, and clear explanations of the grammatical principles that teach students to understand grammar conceptually and deeply. The first edition has been completely redesigned visually to enhance learning and retention. Rodby and Winterowd's The Uses of Grammar 2e is an accessible approach grounded in deep understanding of language acquisition, structure, and even the rhetoric of everyday use. The Uses of Grammar 2e integrates traditional, structural, and functional concepts with ideas from contemporary linguistics and grammatical study. Rather than simply partition the study of grammar from the bottom up/from the parts to the whole/Rodby and Winterowd employ a unique structure based on the differentiation of form and function.

DIVLogical, developmental presentation includes all the necessary tools for speech and comprehension and features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher. /div

This volume brings together theoretical perspectives and empirical studies in second language (L2) acquisition and bilingualism and discusses their implications for L2 pedagogy. The book is organized into three sections that focus on prominent linguistic and cognitive theories and together provide a compelling set of state-of-the-art works. Part I consists of studies that give rise to innovative applications for second language teaching and learning and Part II discusses how findings from cognitive research can inform practices for L2 teaching and learning. Following these two sections, Part III provides a summative commentary of the theories explored in the volume along with suggestions for future research directions. The book is intended to act as a valuable reference for scholars, applied linguists, specialists in pedagogy, language educators, and anyone wishing to gain an overview of current issues in SLA and bilingualism.

"Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students. I deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU,I.A.S. "How we say something can be as important as what we say. I Ungrammatical communications lack clarity. The book is indeed comprehensive. It is very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, N.J. USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence. It a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D, Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue. It enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice. I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care. I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College Chennai
