Lives Matter have focused so much of their energy on the criminal justice system.”

—Adam Shatz, London Review of Books

Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New

Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that

More than 200 years after it was first published, Mary Shelley's *Frankenstein* has stood the test of time as a gothic masterpiece--a classic work of horror that blurs the line between man and monster. "If I cannot inspire love, I will cause fear." For centuries, the story of Victor Frankenstein and the monster he created has held readers spellbound. On the surface, it is a novel of tense and steadily mounting dread. On a more profound level, it

A novel of almost hallucinatory intensity, Mary Shelley's *Frankenstein* represents one of the most striking flowerings of the Romantic imagination.

There are two kinds of families: the ones we are born into and the ones we create. Walk has never left the coastal California town where he grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. Now, thirty years later, Vincent is being released. Duchess is a thirteen-year-old self-proclaimed outlaw. Her mother, Star, grew up with Walk and Vincent. Walk is in overdrive trying to protect them, but Vincent and Star

At school the other kids make fun of Duchess—her clothes are torn, her hair a mess. But let them throw their sticks, because she'll throw stones. Rules are for other people. She's just trying to survive and keep her family together. A fortysomething-year-old sheriff and a thirteen-year-old girl may not seem to have a lot in common. But they both have come to expect that people will

So when trouble arrives with Vincent King, Walk and Duchess find they will be unable to do anything but usher it in, arms wide closed. Chris Whitaker has written an extraordinary novel about people who deserve so much more than life serves them. At times devastating, with flashes of humor and hope throughout, it is ultimately an inspiring tale of how the human spirit prevails and how, in the end, love—in all its different guises—wins.

In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
