"This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives."—Chicago Tribune Winner of the National Book Critics Circle Award, A Lesson Before Dying is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of A Gathering of Old Men and The Autobiography of Miss Jane Pittman.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

Cole is offered Circle Justice: a system based on Native American traditions that attempts to provide healing for the criminal offender, the victim and the community. With prison as his only alternative, Cole plays along. He says he wants to repent, but in his heart Cole blames his alcoholic mom his, abusive dad, winpny Alex – everyone but himself – for his situation. Cole receives a one-year banishment to a remote Alaskan island. There, he is mauled by Mysterious white bear of Native American legend. Hideously injured, Cole waits for his death His thoughts shift from from Anger to humility. To survive, he must stop blaming others and take responsibility for his life. Rescuers arrive to save Cole's but it is the attack of the Spirit Bear that may save his soul. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots without absolving solving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

The astonishing novel Brave New World, originally published in 1932, presents Aldous Huxley's vision of the future -- of a world utterly transformed. Through the most efficient scientific and psychological engineering, people are genetically designed to be passive and therefore consistently useful to the ruling class. This powerful work of speculative fiction sheds a blazing critical light on the present and is considered to be Aldous Huxley's most enduring masterpiece. The nonfiction work Brave New World Revisited, first published in 1958, is a fascinating work in which Huxley uses his tremendous knowledge of human relations to compare the modern-day world with his prophetic fantasy envisioned in Brave New World, including the threats to humanity, such as overpopulation, propaganda, and chemical persuasion.

The contemporary African writer's classic novel depicting the destruction of traditional tribal life by the white man

A high-school freshman who refuses to participate in the annual fund-raising chocolate sale is forced to defend his convictions.

The story of one African-American family fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s.

"Sherwood delves into the deadly past of Penn State in a true crime book exploring the murder of three young women in the Central Pennsylvania area during a tumultuous time for the economy and a football program on the verge of collapse."—The Daily Collegian, (Penn State University) As the Great Depression hit, Penn State College was cash-strapped and dilapidated. Cuts to athletic scholarships left the football program a shambles and the school a last resort for many students. In 1937, underfunded state police, fighting a losing battle against striking miners and steel workers in Johnstown, called in the National Guard. There were not enough police to cover the state, and it showed. Then someone started killing young women in the area. Between November 1938 and May 1940, Rachel Taylor, Margaret Martin and Faye Gates were abducted and sexually assaulted, their bodies dumped within 50 miles of the college. As the school grew into Pennsylvania State University and the Nittany Lions became a world-class team, two demoralized police agencies were merged, forming the precursor of the Pennsylvania State Police. Gates's murderer was captured and convicted. The killer(s) of Taylor and Martin, however, have gone unidentified to this day.
