By several measures, insurance for you, your family, your home, and your car continues to rise at the fastest rate in our history. In 2005 (the latest year data are available), total national health expenditures rose 7.9 percent - more than three times the rate of inflation. Nearly 50 million Americans are uninsured for healthcare. According to Insurance Information Institute projections, the average annual expenditure for auto insurance in 2006 was \$851. Millions of drivers have no auto insurance. The average expenditure for homeowners insurance was \$729, according to a February 2007 report by the National Association of Insurance Commissioners (NAIC). Insurance takes a huge bite out of the average American's monthly budget, and as stated above, many Americans simply forgo insurance because they consider it out of reach. Shopping for insurance requires more effort than many people want to devote to it. They simply grab the first price they come across or accept routine rate increases when it is important to compare not only the price but also coverage and exclusions among carriers. In this easy to read and comprehensive new book you will learn hundreds of ways to secure and or reduce your health, automobile, life, and home insurance costs. If you do not have or cannot afford insurance, we will show you how to get it at a price you can afford. The Internet and technology have opened up a great new way to search for low cost insurance services; we will give you the Web sites, tell you what to look for and to look out for. There is a great deal you can do right now to cut insurance costs. For example,

did you know that installing a theft tracking device in your car can save you up to 35% on your auto insurance and that your credit history can dramatically affect your auto insurance premium. Recent studies have shown that more than 90% of insurers use credit information to create an "insurance risk score", which they then use as a factor to determine your insurance rate. Add a simple home security system to monitor your home, and your insurance rates may be discounted up to 30%, depending upon where you live. Your insurance could end up costing you more if you choose to make monthly payments rather than pay the entire premium annually. Notify your agent if you retire, your children go to school, or you start working from home (when you are not travelling as much your rates will go down). Have you stopped smoking? Lost weight? Started exercising? All of these efforts can have a dramatic effect on your insurance rates. Insurance topics covered in this book are How Insurance Works, Insurance Company Rating, National and Local Firms, Auto, Health, and Disability Insurance, along with work sheets and forms to assist you in your search for the best coverage at the lowest price.

Solution: At last, here you'll find the inside tips that will enable you to save money, time, and avoid frustration when buying or renewing your insurance. Dear Friend: If you're like most people, you're paying too much on your insurance premiums and should know that there are "untold" ways to save money and prevent aggravation. But unless you were privy to the "inside tips" that most insurance professionals know about, you wouldn't have a clue as to how you could save as much as possible. Well, here's your chance to get the secrets that some don't volunteer to share. Listed below are just some of the things you'll learn in "Insurance Secrets Revealed," to start putting cash back into YOUR pocket, take better control, and protect yourself & family right away: " Learn the one simple "secret" that could save hundreds or thousands of dollars off of a homeowners or auto insurance premium immediately! " Discover the one thing that's overlooked by most people and causes them to overpay month after month " Learn the "special questions" to ask an insurance company or agent that can save you money off of your quote or premium " Discover how and when an insurance company can fix your car, even if you only have liability coverage " Learn "Secrets" to saving money when insuring younger drivers " How to prevent paying "out of pocket" (despite having insurance) to your finance or leasing company after a major accident " Discover 12 important insurance products you must know about NOW! " How to inexpensively cover yourself against major lawsuits " How to really buy auto insurance and what you should be asking for " How to choose a good insurance company before it's too late " Learn what to include in your policy, to get more money for your home or auto claim " How to get life insurance death benefits WHILE YOU'RE STILL LIVING (most people are absolutely shocked by this, and no, it's not the accumulated cash value of the policy.) " Find out these important tips to keep from being "penalized" or cancelled by your insurance company " Learn the difference between buying insurance through agents, brokers, and buying direct (there is a difference) " Find out things you should know about the claims process, that perhaps no one ever told you! " Discover what every homeowner should know about mold, where to go for help, and much more! DON'T RELY SOLELY ON AGENTS OR SALES REPS TO TELL YOU HOW TO SAVE ON, OR BUY INSURANCE! Insurance is a serious topic and the truth of the matter is that most people don't have a clue as to what they're getting or what they should be asking for when talking to an insurance agent. Not knowing what to buy or what type of policy is best for your situation can cost you and your family BIG TIME by leaving you at the mercy of an insurance salesperson's lack of experience, knowledge and/or concern. To be honest, you have a right to know all you can without being an insurance agent yourself. This is why this information is now being revealed, so consumers like yourself can be put on a level playing field, compared to people that just blindly buy insurance everyday, pay more than they have to, and walk away with inadequate protection. Friend, don't let a lack of knowledge keep you from empowering yourself! This is the type of straight-up information that you need, "real world" info that will tell you like it really is, (something rarely found elsewhere). The Patient Protection and Affordable Care Act (ACA) was designed to increase health insurance quality and affordability, lower the uninsured rate by expanding insurance coverage, and reduce the costs of healthcare overall. Along with sweeping change came sweeping criticisms and issues. This book explores the pros and cons of the Affordable Care Act, and explains who benefits from the ACA. Readers will learn how the economy is affected by the ACA, and the impact of the ACA rollout.

In "Finding Your Way Home: A Story of Home Ownership", the main character, Marsha Myles, navigates the rocky path on the road to becoming a home owner. The book not only educates potential home buyers on the steps and processes of buying a home, but also addresses many of the emotions, fears, concerns, and joys of achieving the "American Dream."
