Chemistry: Matter and Change is a comprehensive chemistry course of study designed for a first-year high school chemistry curriculum. The program incorporates features for strong math support and problem-solving development. The content has been reviewed for accuracy and significant enhancements have been made to provide a variety of interactive student- and teacher-driven technology support. --Publisher.

Based on the Cornell note-taking format, this resource incorporates writing into the learning process. Directly linked to the student text, this notebook provides a systematic approach to learning science by encouraging students to engage by summarizing and synthesizing abstract concepts in their own words

Study Guide and Reinforcement Worksheets allow for differentiated instruction through a wide range of

question formats. There are worksheets and study tools for each section of the text that help teachers track students' progress toward understanding concepts. Guided Reading Activities help students identify and comprehend the important information in each chapter.
