Book Three in the Magnificent Dune Chronicles--the Bestselling Science Fiction Adventure of All Time The Children of Dune are twin siblings Leto and Ghanima Atrides, whose father, the Emperor Paul Muad'Dib, disappeared in the desert wastelands of Arrakis nine years ago. Like their father, the twins possess supernormal abilities--making them valuable to their manipulative aunt Alia, who rules the Empire in the name of House Atrides. Facing treason and rebellion on two fronts, Alia's rule is not absolute. The displaced House Corrino is plotting to regain the throne while the fanatical Fremen are being provoked into open revolt by the enigmatic figure known only as The Preacher. Alia believes that by obtaining the secrets of the twins' prophetic visions, she can maintain control over her dynasty. But Leto and Ghanima have their own plans for their visions--and their destinies...

The epic that began with the HUGO and NEBULA Award-winning classic DUNE -- now a major motion picture from the director of Blade Runner 2049 and Arrival -- continues ... The sand-blasted world of Arrakis has become green, watered and fertile. Old Paul Atrides, who led the desert Fremen to political and religious domination of the galaxy, is gone. But for the children of Dune, the very blossoming of their land contains the seeds of its own destruction. The altered climate is destroying the giant sandworms, and this in turn is disastrous for the planet's economy. Leto and Ghanima, Paul Atrides's twin children and his heirs, can see possible solutions - but fanatics begin to challenge the rule of the all-powerful Atrides empire, and more than economic disaster threatens ...

Book Two in the Magnificent Dune Chronicles--the Bestselling Science Fiction Adventure of All Time Dune Messiah continues the story of Paul Atrides, better known--and feared--as the man christened Muad'Dib. As Emperor of the known universe, he possesses more power than a single man was ever meant to wield. Worshipped as a religious icon by the fanatical Fremen, Paul faces the enmity of the political houses he displaced when he assumed the throne--and a conspiracy conducted within his own sphere of influence. And even as House Atrides begins to crumble around him from the machinations of his enemies, the true threat to Paul comes to his lover, Chani, and the unborn heir to his family's dynasty...

Follows the adventures of Paul Atrides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

Dune messiah: "A holy war fought in space and on a thousand planets had made Paul Atrides the religious and political leader of the galaxy. The product of generations of controlled breeding, trained in the arcane disciplines by the Bene Gesserit sisterhood, he had more than human powers, including the ability to sense the shape of the future. Then the Bene Gesserit, unable to dominate the man they had made a god, set out to overthrow him. But Paul Atrides could foresee their plans and shape them to an unexpected and shocking goal..."--Dust jacket.

Frank Herbert's Final Novel in the Magnificnt Dune Chronicles--the Bestselling Science Fiction Adventure of All Time The desert planet Arrakis, called Dune, has been destroyed. The remnants of the Old Empire have been consumed by the violent matriarchal cult known as the Honored Matres. Only one faction remains a viable threat to their total conquest--the Bene Gesserit, heirs to Dune's power. Under the leadership of Mother Superior Darwi Odrade, the Bene Gesserit have colonized a green world on the planet Chapterhouse and are turning it into a desert, mile by scorched mile. And once they've mastered breeding sandworms, the Sisterhood will control the production of the greatest commodity in the known galaxy--the spice melange. But their true weapon remains a man who has lived countless lifetimes--a man who served under the God Emperor Paul Muad'Dib...

Three of the greatest SF novels in the world in one bumper omnibus Herbert's evocative, epic tales are set on the desert planet Arrakis, the focus for a complex political and military struggle with galaxy-wide repercussions. Arrakis is the source of spice, a mind-enhancing drug which makes interstellar travel

possible; it is the most valuable substance in the galaxy. When Duke Atreides and his family take up court there, they fall into a trap set by the Duke's bitter rival, Baron Harkonnen. The Duke is poisoned, but his wife and her son Paul escape to the vast and arid deserts of Arrakis, which have given the planet its nickname of Dune. Paul and his mother join the Fremen, the Arrakis natives, who have learnt to live in this harsh and complex ecosystem. But learning to survive is not enough - Paul's destiny was mapped out long ago and his mother is committed to seeing it fulfilled.
