The story of a boy who did not want to become a priest; the masterpiece of Romania's greatest storyteller. Recollections from Childhood (original title in Romanian, Amintiri din copilărie) is a highly entertaining recount of the author's idyllic childhood, disrupted by his parents' ambitions to have him enter priesthood."One of the main literary contributions of Romanian author Ion Creangă. The largest of his two works in the memoir genre, it includes some of the most recognizable samples of first-person narratives in Romanian literature, and is considered by critics to be Creangă's masterpiece." --Wikipedia

Codex Sinaiticus, written in Greek in the fourth century, is the oldest surviving complete New Testament and one of the two oldest manuscripts of the whole Bible. Since 2002, a major international project has been creating an electronic version of the manuscript and this facsimile is based on that project. The facsimile reunites the text, now divided between the British Library, the National Library of Russia, Saint Catherine's Monastery (Mount Sinai) and Leipzig University Library.

Lucian Blaga (1895-1961) is judged by many to be Romania's most original philosopher and greatest poet of the twentieth century. While scholars with access to his works in Romanian are well-aware of their importance, his work has remained, up to now, little known in the English-speaking world. The book represents one of the first efforts to make Blaga's work accessible to an international audience. Zalmoxis is Blaga's first play and one of his most important literary works. It underlines much of his philosophy and also reflects his poetry. Blaga's attachment to Expressionist ideals is discernible in his treatment of the characters primarily as vehicles of ideas and his preference for primitive nature over the cultured metropolis. This book includes an introduction by Keith Hitchins of the University of Illinois, one of the leading historians of Romania in the United States and a scholar intimately acquainted with Blaga's life and work. In it, he discusses the life of Lucian Blaga, and the importance of his literary and philosophical work. The translation is by Doris Plantus-Runey from Wayne State University in the United States.

These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know. Like why he left music. Where he goes when we're not together. What dark past he's hiding. But when we kiss, the future feels far away. And now...I'm not sure what I want.

In this review of American progress, the political nature of our country as set forth in its fundamental principles, its marvelous territorial growth, and the advances in art and science, and the better conditions of the people, are all taken as an indication of its position in prophecy. It is shown that the world's history, thus dealing with every phase of the life of America--past, present, and future. - Chapter I. Expectations and Predictions of Eminent Men. Chapter II. A Century's Progress. Chapter III. Political and Religious Influence of the Nation. Chapter IV. Important Probabilities Considered. Chapter V. A Chain of Prophecy. Chapter VI. Location of the Government Represented by the Second Symbol of Revelation 13. Chapter VII. When Must the Government Indicated by this Symbol Arise?. Chapter VIII. The United States has Arisen in the Exact Manner Indicated by the Symbol. Chapter IX. The Two Great Principles of the Government. Chapter X. Inconsistent Utterances. Chapter XI. He Doeth Great Wonders. Chapter XII. Church and State. Chapter XIII. The Sunday Question. Chapter XIV. Indications of Coming Changes

A Practical Guide to the Histology of the Mouse provides a full-colour atlas of mouse histology. Mouse models of disease are used extensively in biomedical research with many hundreds of new models being generated each year. Complete phenotypic analysis of all of these models can benefit from histologic review of the tissues. This book is aimed at veterinary and medical pathologists who are unfamiliar with mouse tissues and scientists who wish to evaluate their own mouse models. It provides practical guidance on the collection, sampling and analysis of mouse tissue samples in order to maximize the information that can be gained from these tissues. As well as illustrating the normal microscopic anatomy of the mouse, the book also describes and explains the common anatomic variations, artefacts associated with tissue collection and background lesions to help the scientist to

distinguish these changes from experimentally- induced lesions. This will be an essential bench-side companion for researchers and practitioners looking for an accessible and well-illustrated guide to mouse pathology. Written by experienced pathologists and specifically tailored to the needs of scientists and histologists Full colour throughout Provides advice on sampling tissues, necropsy and recording data Includes common anatomic variations, background lesions and artefacts which will help non-experts understand whether histologic variations seen are part of the normal background or related to their experimental manipulation

My attic is the same as ever: quiet, lonely, sad. I'm going to write The Novel of the Short-Sighted Adolescent. But I'll write it as if I'm writing the author's Diary. My book won't be a novel, but a collection of comments, notes, sketches for a novel. It's the only way of capturing reality, both natural and dramatic at once - See more at: <http://istrosbooks.com/products/catalogue/diary-short-sighted-adolescent-66/#sthash.a7DPd1db.dpuf> My attic is the same as ever: quiet, lonely, sad. I'm going to write The Novel of the Short-Sighted Adolescent. But I'll write it as if I'm writing the author's Diary. My book won't be a novel, but a collection of comments, notes, sketches for a novel. It's the only way of capturing reality, both natural and dramatic at once. My attic is the same as ever: quiet, lonely, sad. I'm going to write The Novel of the Short-Sighted Adolescent. But I'll write it as if I'm writing the author's Diary. My book won't be a novel, but a collection of comments, notes, sketches for a novel. It's the only way of capturing reality, both natural and dramatic at once - See more at: <http://istrosbooks.com/products/catalogue/diary-short-sighted-adolescent-66/#sthash.a7DPd1db.dpuf> The short-sighted adolescent is a passionate reader who takes various cultural figures as models, trying to emulate both their lives and their works. The pupil protagonist is a poor student, who likes science and reads a lot of books, sometimes staying up all night to do so. At the age of 15, he decides to write a novel to demonstrate to his teachers that he is not as mediocre as all the other students, and is prepared to give up everything he holds dear for his art. The novel is written in a number of notebooks--the "diary" of the title--but our myopic hero ultimately fails in three subjects and is too lazy to learn and has to repeat the school year. Diary of a Short-Sighted Adolescent was written by the young Mircea Eliade, one of Romania's greatest writers and intellectuals. The book can be viewed as an early 20th century Catcher in the Rye, and allows us an intimate view of the developing genius--his teachers, his classmates' academic and amorous rivalries, his first sexual experiences--and an introduction to the themes of religion, self-knowledge, erotic sensibility, artistic creation, and otherness; ideas which would preoccupy him until the end of his life.
