[PDF] Cobra Derringer Manual

Cobra Firearms makes derringers in many different sizes and calibers. The one I am reviewing is the smallest they make, the small-framed .22LR. I bought the gun on a whim, thinking it would be something about the size of a largeish key chain, and fit easily into any pocket. The larger models in bigger calibers, such as the 9mm all the way up to 45LC/.410, are obviously much bigger.

Derringer Manual - dev.babyflix.net

I bought a Cobra Big bore derringer for \$160 from a dealer. The firearm would not fire out of the box. There was no manual either so I went online to Cobra to download a manual and troubleshoot. The manuals were not available for download so I sent them an email requesting it. Over 2 weeks later I recieved a bad photocopy of a manual that was virtually unreadable. There were no troubleshooting ...
