~~Confederate Reckoning: Power and Politics in the Civil War~~

~~Confederate Reckoning tells the little known story of the effect southern women and slaves had on the outcome of the Civil War. While most histories recount in detail the military strategies and battles, Stephanie McCurry looks behind the Confederate lines to show how women and slaves shaped the outcome of the war and eventually forced Confederate leaders to reconsider the very reasoning behind succession and the war.~~

~~Date accessed: 25 June, 2020. Confederate Reckoning is a 'political history of the unfranchised' (p. 7). It joins a significant body of scholarship that has sought to expand the category of 'the political' by taking into account the behaviour and ideas of those who, in formal terms, were excluded from politics.~~

~~Confederate Reckoning: Power and Politics in the Civil War~~

~~Confederate Reckoning: Power and Politics in the Civil War South. Stephanie McCurry tells a very different tale of the Confederate experience. When the grandiosity of Southerners' national ambitions met the harsh realities of wartime crises, unintended consequences ensued. Although Southern statesmen and generals had built the most powerful slave regime in the Western world, they had excluded the majority of their own people—white women and slaves—and thereby sowed the seeds of their ...~~
