11 - Herricks

Despite its infancy, some authors are already suggesting that the writing may be on the wall for supply chain collaboration. It has been reported that supply chain collaboration has proved difficult to implement; there has been an overreliance on technology in trying to implement it; a failure to understand when and with whom to collaborate; and fundamentally a lack of trust between trading ...

In a victory for AP, the U.S. District Court for the Southern District of New York ruled in AP's favor in a copyright infringement suit against Meltwater News. The British Supreme Court has decided partially in favor of news-clipping service Meltwater in its long-running dispute with UK newspaper publishers.

Capital structure has attracted intense  
debate and scholarly attention in the  
financial management arena over the  
past four decades. However, in the  
context of sub-Saharan Africa capital  
structure has received a scant  
attention. This paper attempts to  
rectify this position by considering the  
firm specific factors influencing the  
capital structure of international joint  
venture formation ...
