This enduring work of Russian spirituality has charmed countless people with its tale of a nineteenth-century peasant's quest for the secret of prayer. Readers follow this anonymous pilgrim as he treks over the Steppes in search of the answer to the one compelling question: How does one pray constantly? Through his journeys, and under the tutelage of a spiritual father, he becomes gradually more open to the promptings of God, and sees joy and plenty wherever he goes. Ultimately, he discovers the different meanings and methods of prayer as he travels to his ultimate destination, Jerusalem. The Way of a Pilgrim is a humble story ripe for renewed appreciation today. The recent changes in Russia have revealed the great religious traditions of that land, and this work, freshly translated for modern times, is among the finest examples of those centuries-old traditions.

Pink (1890-1953) was a Baptist Preacher in England, Australia, and the United States. He is most famous for his book The Sovereignty of God. After its advent, he, assisted by his editor Mr. I. Herendeen, launched his yearly publication, Studies in the Scriptures in 1921. These continued until his death, totaling altogether 33 volumes of 288 pp. each. Most of Pink's books are taken from these yearly volumes (written monthly in 24 page format).

Translated by David H. Stern Uses neutral terms and Hebrew names Highlights Jewish features and Jewish references Corrects mistranslations from an anti-Jewish theological bias 436 pp. The New Testament is a Jewish book, written by Jews, initially for Jews. Its central figure was a Jew. His followers were all Jews; yet no translation--except this one--really communicates its original, essential Jewishness. Uses neutral terms and Hebrew names. Highlights Jewish features and Jewish references. Corrects mistranslations from an anti-Jewish theological basis. Freshly rendered into English using the Greek texts, this is a must for learning about first-century faith.

Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,--from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all "given by inspiration of God" (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten

commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it was of Christ, that "the Word was made flesh, and dwelt among us." John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

Book five of Eugene Peterson's landmark SPIRITUAL THEOLOGY series: foundational reading for the twenty-first-century church. Continuing Peterson's evaluation of contemporary Christian spirituality, PRACTISE RESURRECTION is a study of the book of Ephesians. It is often thought to be Paul's most difficult letter, but has been for over thirty years Peterson's text for his identity as a pastor. Peterson points out that although Christians emphasise the importance of new birth, growth is equally important. This book is a conversation on spiritual formation and what it means to become a mature Christian. As with the first four books in this series, PRACTISE RESURRECTION is written for both lay and academic audiences. Challenging but deeply rewarding, it combines scholarship with the human experience and lightness of touch for which Peterson is known.
