into this story. It never slowed down..." "Get this book ASAP. I promise you won't regret it." The haunted gaze of one wounded warrior sparks a challenge in a woman determined to help him regain what he's lost whether he wants her help or not... Physical Therapist, Raydeen Pickering, has seen her fill of stubborn veterans, some too angry to get on with their lives, some still living in hell in their minds, and then some unwilling to let their broken bodies hold them back. She hasn't figured out which Brian Cobb is yet. The first time she met the

handsome, wounded warrior, he was wary and defensive, his gaze always sliding toward the door, looking for as a quick escape from the Soldiers' Sanctuary meetings. Even now, there's something about the ex-Army MP, now bounty hunter wrangler, that sets him apart from the other men she's helped mend. There's something more--not just the haunted look in his eyes or the stubborn set of his chin. The way he looks at her when he thinks her attention is elsewhere gives her hope that she'll reach him, and that he'll let her help him regain more of what he's lost. First though, he

has to figure out he's in love with the wrong woman. The one he needs is right here, and if she has to do the chasing, so be it, because those looks he gives her have rekindled a fire she thought was lost forever...

A former Navy SEAL is teamed with a feisty ex-Marine to provide protection for a Greek tycoon's daughter to make sure the bride gets safely to her destination wedding.. Former Navy SEAL, Trigger Matthews, now a special operator with Justin Ballard's Black Knight Security in New Orleans, is teamed with a

feisty ex-Marine as part of the protection detail for a Greek tycoon's spoiled daughter. The prickly woman proves to be a challenge he's eager to explore. Due to her uncanny resemblance to their client's daughter, Cassandra Locke is tasked with being a "decoy bride", a job that sees her going through some matrimonial hoops while fighting her growing attraction for her partner for this operation. Together, they create diversions to make sure the real bride has a chance to prepare for her coming nuptials. Both loners, and unaware of the fact that they are indeed lonely,

Trigger and Cass find out they have many more qualities in common, including an inability to stay away from each other. As the real bride's day draws closer, they learn that she's more than a girl born with a silver spoon in her mouth and find unexpected friendships along the way. When danger draws nearer, they must trust each other's strengths to get them through it.

On Memorial Day, he will stand by her side when she visits her husband's grave, but he wonders if she'll ever see him as anything more than her husband's best

friend and the man who accompanied his body home for burial... Navy SEAL, Chris "Zig" Bykowski, has done his duty to his best friend's wife by being there to help whenever she or her son needed him. However, now, he has the feeling she wants to put distance between herself and the SEALs who watch over her as the widow of a fallen teammate. Though painful, because he's grown to care for her, he will let her go, knowing she needs closure to move on with her life. Andi Westall has picked up the pieces of her shattered life after the death of her husband, Ozzie. Although she knows it will be painful to

break away from the SEALs who have given her their support, she is ready to cut ties and move on past the painful memories. However, fate has another idea. When she discovers that she may have a stalker, the only person she knows to confide in is Ozzie's best friend, Zig. When Zig and the team rush to the rescue, she finds that accepting their aid and continued friendship isn't as hard as she'd imagined. While the team works to figure out who is stalking her, Zig insists on sticking close to keep her safe. One night of tearful remembrances ends with her waking up to discover that

File Type PDF Dream Of Me Uncharted Seals Book 4

she wants more from Zig than just his protection. Whether this is love or simply need is something she'll have to figure out before they both get hurt.

This flame doesn't need a match... One high school prank gone wrong shouldn't define the rest of former foster child Carly Lohan's life. But setting fire to Caldera Canyon isn't something townsfolk will ever forget. As the last part of her final act of restitution, she's among the group of volunteers assigned to keep a prescribed burn of underbrush and grass from "running over the rim" into

File Type PDF Dream Of Me Uncharted Seals Book 4

the ranches ringing the park. Local rancher and volunteer firefighter Jeremiah McCord doesn't trust the reformed firebug anywhere near the canyon's controlled burn--not after she nearly ruined him in the past. Determined to keep her on a short rein, he's everywhere she is, watching over her. However, his plan to keep her close backfires when he discovers the secrets of Carly's past and a vulnerability that strikes him to the core. His long-held anger and distrust burn away as they fall deeper and deeper into the flames.

Out with the old, in with

File Type PDF Dream Of Me Uncharted Seals Book 4

the new... Or so Sherry Thacker thinks. Problem is, her fire chief ex is always on her mind--shirtless, sweaty, sooty, way too handsome--and right across the street from City Hall. When a "Wet Down" ceremony to retire an old fire truck is planned by the city council to raise funds for the firehouse, she has to put aside her hurt and anger and do her job. Blake Thacker wants his wife back--in the house they shared, in their marriage bed. Still confused about how Sherry's becoming mayor managed to drive a wedge between them, he'll use whatever means necessary to

File Type PDF Dream Of Me Uncharted Seals Book 4

win her back. Love is always best served WET.

After a charging bison comes between her and her latest skip, a bounty hunter must rely on the survival skills of her park ranger rescuer... Note: This 5,400-word short story exists in the Montana Bounty Hunters world.

MONTANA BOUNTY HUNTERS: DEAD HORSE, MT Authentic Men... Real Adventures... An ex-Delta Force soldier, now Montana Bounty Hunter, finds himself slipping naturally into protector mode when a small-town dessert chef is threatened by mysterious

attacks. Former Delta Force soldier, Dylan "Preacher" Priestley, is the latest hire for the newly formed office of Montana Bounty Hunters: Dead Horse, MT. He's just settling into the job and getting to know the community when he meets the owner of Deadly Delights, Laura Pinchot. The attraction is immediate, but he finds he's a little shy about approaching the curvy beauty until a rock tossed through her store window gives him the "in" he needed. Laura isn't a life-long resident of Dead Horse, but she's sunk her money into the donut shop and isn't going anywhere. When a

File Type PDF Dream Of Me Uncharted Seals Book 4

string of mysterious attacks targets her store, she's alarmed but doesn't think it's anything more than some kids' pranks. However, when Preacher witnesses the latest assault against her business, she's grateful for his quick thinking and protection when it appears the attacks are more personal than she'd imagined. That the handsome ex-soldier appears to be interested in her amazes her; she's not exactly built like a model, but he quickly puts her insecurities to rest in the sexiest of ways. With the support of his bounty hunter team, Preacher sticks close to Laura while

the team tries to solve the mystery of who is after her. As their connection only grows hotter, he's determined to keep her out of harm's way.

A bounty hunter following a lead is trapped in an underground-bunker-turned-beauty-salon with a pretty beautician.

In Cabo San Lucas, Navy SEAL Carson "Beach-boy" Walsh is ready to live the good life. After surviving fifteen deployments in ten years, he bailed on the SEALs, figuring this cat had run out of lives. The only danger he faces now is

File Type PDF Dream Of Me Uncharted Seals Book 4

choking on an oyster or drowning in beer--and then he meets her. Gina Tripp is the Calamity Jane of bounty hunters, enjoying an unexpected vacation. She's the stand-in for an absent groom on her girlfriend's honeymoon in Cabo when she meets a cute guy with a nothing but sex on the beach in mind. As her luck would have it, her best friend winds up kidnapped, and Gina's embroiled in a dangerous rescue that deepens her attraction to Carson. Just when she thinks she can settle in and enjoy a few days of sin, an opportunity to prove herself to her boss lands in her

lap. Now, she has her sights set on scoring a huge bounty--an ex-pat skip, hiding out in Mexico. What follows is a wild ride that leaves her feeling pretty relieved she hijacked a Navy SEAL to help her with the job. ****S*x on the Beach**** is part of the Montana Bounty Hunter series. It is also in the SEALs in Paradise connected series. Each book can be read as standalone. They do not have cliff-hanger endings and do not have to be read in any particular order.

The last thing this SEAL wants is to open his heart to her again, but Amelie

needs the "hands on" kind of protection only he can provide... Navy SEAL, Thibaut "T-Bone" Cyr, has a lot on his mind. The time is approaching when he'll either have to re-up with the Navy or leave. He's come home to New Orleans to spend time in his old stomping grounds while he mulls over his decision. New Orleans is where his roots are, where his family lives, but he wants to stay on the downlow while he considers his future. He's also hoping the past he left behind doesn't still haunt him. Fourteen years ago, he fled the city when the woman he loved dumped him. Amelie Rivette

is back in New Orleans, ready to start again. She's helping her blind aunt run a voodoo shop in the French Quarter, but her aunt's troubles are getting complicated. After a string of bad luck, which includes a robbery and threatening calls, Amelie finds herself trapped inside the shop when a fire is set, and she's attacked by an assailant. Coming to the rescue of his ex-girlfriend, Thibaut finds himself torn. The last thing he wants is to relive the pain of their breakup, but Amelie needs the kind of protection he can provide. Soon, neither of them can resist their attraction, but

File Type PDF Dream Of Me Uncharted Seals Book 4

while they reconnect physically, he holds back his heart, not trusting that what he feels is real and not some remnant of their shared past. Complicating matters is that their families are conspiring to give him a reason to stay in New Orleans. When Amelie is kidnapped, Thibaut realizes he's still in love with her. Hoping he's not too late, he sets out to save her.
