A. Easy Grammar texts include Grades 2, 3, 4, 5, 6, and Plus. Grades 2-6 are for elementary students. Concepts are taught within sequential grammar units, beginning with prepositions. Using this approach, sentences are stripped to basics, enabling students to

understand subject and verb and to build throughout each text. EG Plus will give any student beyond Grade 6 a solid, basic understanding of grammar. It's especially popular because the text is written at a fourth-grade reading level.

The instructions are clear, it is very repetitive (so it sticks to you), the lessons are pretty short (takes only 5-10 minutes for each lesson), and the student can work on it independently.
