mean for education policy in the United States? Education Policy And The Law

Education policy consists of the principles and government policies in the educational sphere as well as the collection of laws and rules that govern the operation of education systems. Education occurs in many forms for many purposes through many institutions. Examples include early childhood education, kindergarten through to 12th grade, two and four year colleges or universities, graduate and professional education, adult education and job training. Therefore, education policy can directly af

Education Act 1996 is up to date with all changes known to be in force on or before 28 July 2020. There are changes that may be brought into force at a future date.

Education Act 1996

The Education Department looks at all the options and comments from stakeholders and the public regarding the policy of compulsory education for all children under the age of 17 years. For example, there may be input from Treasury saying that the government cannot afford to provide compulsory education immediately for all children under 17 years, so the policy should be phased in over 5 years.
