In this section we provide a brief overview of the ethical and legal approaches that apply to consent and then look at some specific issues that may present to clinical ethics committees illustrated by hypothetical cases.

UKCEN: Ethical Issues - Consent
INTRODUCTION : #1 Ethical Legal And Professional Issues Publish By Karl May, Amazoncom Ethical Legal And Professional Issues In written by two counseling professors one an attorney and the other an expert in ethics ethical legal and professional issues in counseling walks readers through the ethical legal and professional challenges

As a healthcare practitioner, you will face a broad range of professional dilemmas in your everyday practice. From seeking consent to upholding patient confidentiality, you'll rely on your knowledge of ethics, the law and professional codes of conduct to guide your actions. Balancing these three strands can be difficult, but with detailed scenarios and accessible discussion, this book guides you through the complexities of practice. Taking a practice-based approach, the text explores the combination of ethical, legal and professional issues which characterise the field of healthcare. A range of experienced contributors come together to provide: detailed analysis of confidentiality, accountability, consent, capacity and justice, all grounded within the daily practice context; authoritative guidance through discussion of legal cases, excerpts from statutes and extracts from professional guidelines; realistic scenarios drawn from a range of health settings, unravelling and illustrating the guidelines, statutes and policies which influence practice; advice on balancing the conflicting pressures of the modern healthcare context, from facing time limitations to challenging the unprofessional practice of others. Ethics, Law and Professional Issues puts you at the centre of some of a practitioner's most difficult decisions. It is therefore an essential resource for any student of healthcare looking to develop an ethically, legally and professionally sound approach to practice.

Revision of: Ethical, legal, and professional issues in the practice of marriage and family therapy / Charles H. Huber.

An authoritative exploration of the most difficult ethical, legal, and professional challenges in counseling, presented in an easy-to-understand manner. Written by two counseling professors - one an attorney and the other an expert in ethics - Ethical, Legal, and Professional Issues in Counseling walks readers through the ethical, legal, and professional challenges they will encounter in their counseling careers. It includes numerous case studies throughout to highlight ethical and legal situations faced by counselors, and it also includes the authors' best thinking and practical advice on how to resolve these situations. The book focuses squarely on the counseling profession, as opposed to psychiatry or other helping professions. Also available with MyLab Counseling By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0133386597. In this Fourth Edition of Ethical, Legal and Professional Issues in Counseling, revered authors and scholars Theodore P. Remley, Jr. and Barbara Herlihy have maintained the qualities that have set this text apart from others in the field, however, made the necessary updates and changes appropriate for the current time. Each professional issue in counseling is approached from both an ethical and a legal point of view, offering readers a complete, integrated exploration of all facets, and the difficult issues are addressed in a straightforward manner. Practical, realistic advice is proffered through vignettes that showcase typical situations and dilemmas faced by practicing counselors. This edition delves into the most recent federal court cases that pose the most ethical and legal matters in counseling today, such as a termination from employment by refusing to counsel a gay client. Positive changes in the field and the increase in employment and reimbursement services, such as the Affordable Health Care Act of 2010, and others are properly discussed. Additional revisions include: recent thoughts of multiculturalism in practice, types of advocacy and social justice in the field, new technologies in practice, plagiarism in counselor education programs and in scholarship, setting and maintaining boundaries with clients, thoughts and perspectives on making professional ethical decisions, new insights on professional identity, and additional case studies throughout this enlightening revised text for the professional counselor in training. Ethical, Legal, and Professional Issues in Counseling, 4/e, will be a mainstay text and guided resource for counselors preparing for their own practice, a trusted volume that they will likely keep on their professional bookshelf to reference and revisit for years to come. The Enhanced Pearson eText features embedded video. Improve mastery and retention with the Enhanced Pearson eText! Second edition of a text that discusses the legal, ethical, and other professional non-therapy issues associated with a practice in marriage and family therapy. Annotation copyright Book News, Inc. Portland, Or.

Rev. ed. of: Ethical, legal, and professional issues in the practice of marriage and family therapy / S. Allen Wilcoxon ... [et al.]. 4th ed. c2007.

This authoritative resource, written by two counseling professors—one an attorney and the other an expert in ethics—explores the most difficult ethical, legal, and professional challenges in counseling in an easy-to-understand manner. Ideal for instructors who do not specialize in the topics presented, and for students who are learning about the counseling profession,Ethical, Legal, and Professional Issues in Counseling includes numerous case studies throughout not only to highlight difficult situations faced by counselors, but also to give readers the benefit of the authors' best thinking on how to resolve the dilemmas. The complex legal, ethical, and professional counseling issues are analyzed and discussed in a manner that allows counselors to resolve challenging situations as they arise in their practice. Included is practical advice on how to manage ethical and legal issues such as using technology and social media, counseling minors and vulnerable adults, counseling clients who may be suicidal or violent, responding to subpoenas; setting boundaries with clients, students, and supervisees serving as gatekeepers for the counseling profession; developing a private practice, responding to complaints, and practicing in a diversity-sensitive manner. The topics are relevant for school counselors, clinical mental health counselors, college counselors, rehabilitation counselors, marriage and family counselors, substance abuse counselors, and counselors who practice in other specialties. As a text it is appropriate for undergraduate, master's level, and doctoral level human services and counseling.

This is the first comprehensive book to approach professional issues in counseling from an ethical perspective and legal viewpoint. It addresses difficult subjects in a direct manner, and offers practical, realistic advice for practicing counselors. A clear explanation of the necessary credentials for counseling is also provided—including licensing, state certification, and national certification. Substantial sections are devoted to crucial areas--such as ensuring client confidentiality, keeping appropriate records, responding to subpoenas, dealing with clients who are a danger to themselves or others, counseling minors, and maintaining proper boundaries with clients and students. Coverage of cutting edge issues includes ensuring a diversity-sensitive practice, dealing with managed care problems, utilizing technology, and supervising properly. Model agreements that counselors can use and adapt for practice are supplied in all of the following areas: private practice, schools, agencies that serve mandated clients, evaluation situations, and community mental health agencies. For counselors in training and for counseling practitioners.

This popular title from the Fundamental Aspects of Nursing series has been revised and updated to reflect the advances in the field. Vital reading for all student nurses to help them develop an understanding of the myriad of dilemmas in professional practice and ensure they meet professional standards. This book will outline the implications and application of the relevant recent legislation that relates to nursing practice. Professionally, this book will look at the demands and requirements of nursing, as it moves to an all graduate profession, and the subsequent legal and ethical implications. It will also be helpful for qualified nurses as a refresher text & for those undertaking Overseas Nurses' Programmes. With the new Nursing and Midwifery Council's proposals, there is a greater emphasis on nurses' awareness and ability to use, and be assessed in, legal, ethical and professional issues in their clinical practice.
