Whether one is an elite designer, a grassroots activist, a design educator, or a bureaucratic or corporate decision maker, Ezio Manzini challenges us all to rethink the role of design and that of the 'designers' in contemporary society.

Design, When Everybody Designs | The MIT Press

Manzini distinguishes between diffuse design (performed by everybody) and expert design (performed by those who have been trained as designers) and describes how they interact. He maps what design experts can do to trigger and support meaningful social changes, focusing on emerging forms of collaboration.
