The Real Book refers to compilations of lead sheets for jazz standards. It usually refers to the first volume of a series of books transcribed and collated by Berklee College of Music students during the 1970s. The name is derived from the earlier fake books that were in common use by professionals; those were often more geared to society and dance bands rather than jazz ensembles, and devoted much space to show tunes, novelty tunes, traditional jazz, etc. The first three Real Book volumes, in c

A fake book is a collection of musical lead sheets intended to help a performer quickly learn new songs. Each song in a fake book contains the melody line, basic chords, and lyrics - the minimal information needed by a musician to make an impromptu arrangement of a song, or "fake it." The fake book is a central part of the culture of playing music in public, particularly in jazz, where improvisation is particularly valued.
