An experience is the process of personally participating in an activity, event or lifestyle. Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world, whereas fantasy enjoys the unlimited boundaries of the imagination. Nevertheless, fantasy is often the product of reality. For one person'TMs fantasy is another person'TMs reality. ; ;Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who live astonishing secret lives. ; ;Elise adds her insight and commentary as she examines what constitutes a successful FemDom relationship.

In her third book, notable FemDom author Elise Sutton strays away from the more common lifestyles of FemDom practitioners who pursue relationships based on the principals of loving female authority, and instead she takes an honest look at men who claim to be seeking “œunloving female authority” at the hands of a sadistic woman. This book also takes notice of real life experiences of female sadists and the wives and significant others of masochists. Nevertheless, the primary focus of this book is the life of the man from whom the term “œmasochist” was coined. Many have heard of Leopold von Sacher-Masoch but few have heard his life story. With the narrative of Leopold”’s sexual journey as its foundation, this book examines contemporary self-described masochists who are in search of a cruel, sadistic woman. In other words, just like Leopold, these men are “œSearching for Wanda” .

Tim wanted to kneel before his beautiful boss Ava more than anything. But the reality might be more than he can handle. What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and Ava forever. From the Book I felt so small and embarrassed. "Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion." My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of her desk. She crossed her ankles and started thumbing through the log of websites. "What is 'femdom' Tim?" "Oh... Ava, are you sure you want me to..." "Let's hear it, Tim. I want to know what's so important that you would risk your job." "Well... it means female domination." "And that is..." "Ava..." "No, I want to know." "It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge." "Keep going..." "It often involves humiliation, corporal punishment, chastity, or service," just talking about this was both excruciatingly embarrassing and, unfortunately, exciting to me. "Really, whatever the woman wants." She clicked her tongue, "What you do on your own time is your business Tim, but surely you don't think it's appropriate to look at sites like that at work?" "No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that again," I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. "You're going to have to do better than that." She emphasized every word of this next sentence, "I want to hear you beg for your job." Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail.
