This tribute examines the life of this outstanding personality and monarch, with emphasis on her Canadian experiences.

It has been 50 years since Bobby Moore lifted the World Cup trophy at Wembley, and in this groundbreaking book, Henry Winter will address the state England are in on the golden anniversary of their greatest moment. Part lament, part anatomy of an obsession, both personal and collective, it analyses the truth behind the endless excuses, apports the blame for the crimes against English football, but is also a search for hope and solutions

Gorgeously repackaged, this reissue of the classic book presents the iconic photographer's expert and witty reminiscences of the personalities who inspired fashion's golden eras, and left an

indelible mark on his own sense of taste and style. "The camera will never be invented that could capture or encompass all that he actually sees," Truman Capote once said of Cecil Beaton. Though known for his portraits, Beaton was as incisive a writer as he was a photographer. First published in 1954, *The Glass of Fashion* is a classic—an invaluable primer on the history and highlights of fashion from a man who was a chronicler of taste, and an intimate compendium of the people who inspired his legendary eye. Across eighteen chapters, complemented by more than 150 of his own line drawings, Beaton writes with great wit about the influence of luminaries such as Chanel, Balenciaga, and Dior, as well as relatively unknown muses like his Aunt Jessie, who gave him his first glimpse of "the grown-up world of fashion." Out of print for decades but recognized and sought after as a touchstone text, *The Glass of Fashion* will be irresistible to a new generation of fashion enthusiasts and a seminal book in any Beaton library. It is both a treasury and a treasure.

It's been two months since Lizzie's daddy disappeared due to the awful Depression. Lizzie's praying he'll return to Bittersweet, Alabama, for her birthday. It won't feel special without him, what with Lizzie's Mama being so sad she won't even talk and the bank nipping at their heels for a mortgage payment. Daddy expected her to

be the best at any cost. But Lizzie claims "that cost me my top grades and my best friend. It's dumped 'em both square into Erin's hands. She's gone batty if she thinks she's gonna get me carted off to the orphanage." While Lizzie waits, she gets comfort writing in her journal. As time passes, she can only picture her daddy's face by opening her locket. If others can get by, why did her daddy leave? If he doesn't return, how can she overcome the same obstacles that drove him away?

Anna is a writer, author of one very successful novel, who now keeps four notebooks. In one, with a black cover, she reviews the African experience of her earlier years. In a red one she records her political life, her disillusionment with communism. In a yellow one she writes a novel in which the heroine relives part of her own experience. And in a blue one she keeps a personal diary. Finally, in love with an American writer and threatened with insanity, Anna resolves to bring the threads of all four books together in a golden notebook. Doris Lessing's best-known and most influential novel, *The Golden Notebook* retains its extraordinary power and relevance decades after its initial publication.

For five decades, the Ford Thunderbird has been a car that has taken

Read Book Fifty Years With The Golden Rule

America on a wonderful ride through the changes of its time. From the sporty classic two-seater that people still go nuts for over half a century after it was first built, to the retro reincarnation of today and everything in between from sleek convertibles and suicide-doored sedans to supercharged coupes, the T-bird has been an enthusiast's car for all seasons. Thunderbird: 50 Years takes a look at the golden history of every generation of this American classic, and details the development and evolution of one of Ford's best-known models year-by-year, in text and 200 photographs. Chapter by chapter, each generation of the T-bird is placed within the context of its time to help illustrate why the car evolved as it did. From the ever-desirable finned two-seaters of the 1950s, stylish and sporty convertibles of the late 1950s and early 1960s, suicide-door cruisers of the late 1960s, land yachts of the 1970s, aerodynamic turbo- and supercharged coupes of the 1980s and 1990s, and today's retro-influenced reincarnations, all are covered from an enthusiast's viewpoint. Learn what's rare and desirable in the lists of options, colors and production figures. See examples of the most desirable and collectible 'Birds around, including excellent originals and authentically restored jewels presented in color.- Complete history of the Thunderbird- Spectacular photography by David Newhardt- Sidebars touch on pop culture status and impact- Very detailed
