Flirting in Italian (Hardcover) | BookPeople

Spending the summer in the Tuscany region of Italy on a secret mission to solve a family mystery, English teenager Violet is distracted by exciting American roommates and sexy Italian boys on Vespa scooters.

Her relationship with Luca in jeopardy, English teen Violet plunges back into her quest to uncover her connection to an Italian family, but many surprises still await.

Longing to be part of the in-crowd at her exclusive London school, orphaned, sixteen-year-old Scarlett, a trained gymnast, eagerly accepts an invitation to a party whose disastrous outcome changes her life forever.

Every murderer 's worst nightmare, Sam Jones, is unleashed for her seventh outing. The discovery of a dead body tied to the village Christmas tree on New Year 's Eve in the quiet village of Lesser Swinford, is an unwelcome complication for Sam Jones, sculptor and involuntary sleuth, and her boyfriend, Hugo, who have come to celebrate with Sam 's best friend, Tom. Tom, who has taken a job there as a primary-school teacher in the hope of meeting plenty of available and sex-hungry single mothers, becomes the principal suspect.

This prince charming has no time for love. Hot shot lawyer, Jared Redmond is a workaholic whose romantic life is a string of quick flings. After a long business trip, he returns home early to find his younger brother has thrown a Halloween party in their apartment and there 's a big problem... There 's a woman wearing a princess gown in his bed...a real sleeping beauty. His undeniable attraction to this mysterious stranger sets him on a path toward the one thing he 'd never planned on...falling in love. But his fair princess has no time for love either, and when their careers put them on separate paths, Jared has to fight to win back the woman who stole his heart or lose her forever.

Featuring contributions by Jennifer Weiner, Meg Cabot, Sophie Kinsella, Marian Keyes, and Sarah Mlynowski, this unrivaled collection of twenty-one short stories is filled with unforgettable characters that learn to grow up, move on, and choose new paths in life. Reprint.

A sexy new friends-to-lovers standalone! Let me list the reasons why dating a sexy, charming, pro hockey star is a bad idea: 1. He 's one of my closest friends 2. All our friends are friends 3. The wounds I 've got from past relationships go deep. And so do his. We 're both devoutly single -- it 's just safer for the heart that way. But there 's no reason not to bid on the gorgeous, clever athlete at the charity auction this weekend. If I win, it 'll be a friendsdate. And I do win. I win him big. And hard. And all night long. The trouble is . . . what happens in the morning?

She's forbidden. My best friend and managers sister. I'm an arrogant, self-righteous Italian guy who only thinks through one thing... I never see the same woman twice - it's my rule. I throw the most outrageously wicked and sexy parties for my own satisfaction and relish on women like I do my fine dining. I'm a playboy by day and a playboy by night. They call me the Italian Playboy and I love it! Only, all of that changed one night when a dark haired beauty stepped into one of my sex parties. From the moment I laid eyes on her, I had to have her. But no sooner than my eyes had met her naked body, she was gone. I had to find her. And I wouldn't stop until I did.

PRAISE FOR LAUREN HENDERSON AND THE SAM JONES SERIES "Wickedly funny . . ." —New York Times Book Review "Sharply intelligent. . . . Hipper than hip." —Denver Rocky Mountain News Sexy, savvy sculptor-turned-sleuth Sam Jones attracts trouble like she does men. When her sculpture Thing III is unveiled at a swank reception in the atrium of a London bank, a dead body crashes the party. From there, events take a distinctly dangerous turn. Our rubber-clad heroine hardly suspects that in a few days she 'll be embroiled in a hot affair with a BMW-driving, Kensington-dwelling stockbroker—the shame of it! Forced to hang out with a pair of spoiled, anorexic rich girls and their unsavory entourage of "friends" as she unravels the facts behind the murder, Sam finds herself unwillingly pulled into a twisted world of drugs, blackmail, and trust funds—one that seems to spell disaster for high society 's darlings. By the end of the week even the usually tough-as-nails Sam is running scared. She needs to get to the bottom of it all—before she turns up dead herself.

The first installment in Hot in Chicago, a brand-new, sizzling series from Kate Meader that follows a group of firefighting foster siblings and their blazing hot love interests! Savvy PR guru Kinsey Taylor has always defined herself by her career, not her gender. That is, until she moved from San Francisco to Chicago to be with her fiancé who thought she wasn 't taking her "job" of supporting him in his high-powered career seriously enough—and promptly dumped her for a more supportive and "feminine" nurse. Now, as the new assistant press secretary to Chicago 's dynamic mayor, she 's determined to keep her eye on the prize: no time to feel inferior because she 's a strong, kick-ass woman, and certainly no time for men. But that all changes when she meets Luke Almeida, a firefighter as searingly sexy as he is quick-tempered. He 's also the second oldest of the Firefightin' Dempseys, a family of foster siblings who have committed their lives to the service—if Luke 's antics don 't get him fired first. When Luke goes one step too far and gets into a bar brawl with the Chicago Police Department, Kinsey marches into Luke 's firehouse and lays down the law on orders from the mayor. But at Engine Co. 6, Luke Almeida is the law. And he 's not about to let Kinsey make the rules.
