Past Papers – Revision Science~~

In GCSE Sciences, there is an allowed grade 3 for Separate Sciences and allowed grade 4-3 in Combined Science, to minimise the risk of students being entered for Higher Tier and just missing out on the 4-4 grade. In June 2018, for GCSE Combined Science Higher Tier, Ofqual extended this to two allowed grades 4-3 and 3-3.

~~GCSE (9-1) Sciences – Pearson

As a result, Ofqual decided, for

one year only, to widen the boundaries of the pass grades (ie, 4-3 on combined science and 3 on single sciences and languages), and to add an additional pass grade of 3-3 on combined science. This meant that most students received a grade and were rewarded for their performance.
