Here is New York has been chosen by The New York Times as one of the ten best books ever written about the city. The New Yorker calls it "the wittiest essay, and one of the most perceptive, ever done on the city." "Here is New York, a lovely evocation of the spirit of the city, is even more a startlingly vivid picture of a particular time. You sweat with White in his un-air-conditioned 90-degree hotel room and walk down the streets of 1948.

'Here Is New York' There are roughly three New York's. There is, first, the New York of the man or woman who was born there, who takes the city for granted and accepts its size, its turbulence as natural and inevitable. Second, there is the New York of the commuter — the city that is devoured by locusts each day and spat out each night.

The exhibition is subtitled "A Democracy of Photographs" because anyone and everyone who has taken pictures relating to the tragedy was invited to submit their images to the gallery, where they were digitally scanned, printed and displayed on the walls alongside the work of top photojournalists and other professional photographers.

Here Is New York

Written during the summer of 1948, well after the author and editor had taken up permanent residence in Maine, *Here Is New York* is a fond glance back at the city of his youth, when White was one of the "young worshipful beginners" who give New York its passionate character. It's also a tribute to the sheer implausibility of the place--the tangled infrastructure, the teeming humanity, the dearth of air and

Here is New York is amazing book, perhaps the most succinct and apt description of New York City ever put on paper. In the hands of E.B. White, NYC is at once a city of inches and multitudes, of loneliness and excitement, of riches and squalor, of permanence and transience. The particulars of the city have changed, as White himself admits, but the first half

Summary: What is most amazing about E.B. White's "Here Is New York," This book written in 1948 says: "A single flight of planes no bigger than a wedge of geese can quickly end this island fantasy, burn the towers, crumble the bridges, turn the underground passages into lethal chambers, cremate the millions." The city is both the perfect target and the perfect demonstration of nonviolence.
