But as Herzog travels (and writes his zany letters), Bellow provides a spectrum of many characters who are both fully realized and who offer some choice to Herzog, which is somehow a reflection of, or parallel to, his own problems. The amazing thing about this is that these choices always come out of character.

Suffering, persecuted, intellectual, Moses E. Herzog passively accepts the disasters of his private and public affairs in an effort to survive modern civilization.

Saul Bellow's Herzog is part confessional, part exorcism, and a wholly unique achievement in postmodern fiction. Is Moses Herzog losing his mind? His formidable wife Madeleine has left him for his best friend, and Herzog is left alone with his whirling thoughts - yet he still sees himself as a survivor, raging against private disasters and the myriad catastrophes of the modern age. In a crumbling house which he shares with rats, his head buzzing with ideas, he writes frantic, unsent letters to friends and enemies, colleagues and famous people, the living and the dead, revealing the spectacular workings of his labyrinthine mind and the innermost secrets of his troubled heart. This Penguin Modern Classics edition includes an introduction by Malcolm Bradbury 'Spectacular ... surely Bellow's greatest novel' Malcolm Bradbury 'A masterpiece ... Herzog's voice, for all its wildness and strangeness and foolishness, is the voice of a civilization, our civilization' The New York Times Book Review

Na meia-idade, em crise na profissão, traído pela mulher, que o trocou por seu melhor amigo, Moses Herzog sente sua sanidade vacilar. Às voltas com uma fogosa nova namorada, com a tentativa inglória de conquistar a guarda da filha pequena e com um livro de filosofia que nunca termina, Herzog escreve cartas (jamais enviadas) a parentes, amigos, inimigos e grandes personalidades vivas ou mortas, como o presidente Dwight Eisenhower e o filósofo Friedrich Nietzsche.

A collection of seven critical essays on the Bellow novel, arranged in chronological order of their original publication.

A multifaceted portrait of a modern-day hero, a man struggling with the complexity of existence and longing for redemption.

It's sweltering summer in New York City, and Asa Leventhal is alone. His co-workers ignore or condescend to him, his wife is away with her mother, and his estranged brother has run off, abandoning his wife and two sons. One night, Leventhal is confronted by a stranger--"one of those guys who want you to think they can see to the bottom of your soul"--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. But as time passes, he is increasingly unable to separate his own good fortune from the bad luck of this down-and-out stranger, who will not leave him be. A brief, haunting rumination on the vagaries of fate and responsibility, The Victim is, in the words of Norman Rush, Saul Bellow's "purest creation."

Herzog

A portrait of the decorated American writer draws on unprecedented access to his papers and extensive interviews to trace his literary development, rise to eminence and roles as an artist, family man and cultural figure. By the Pulitzer Prize-finalist author of The Life of Kingsley Amis.

The second volume in the life of literary giant Saul Bellow, vividly capturing a personal life that was always tumultuous and career that never ceased being triumphant. Bellow, at forty-nine, is at the pinnacle of American letters--rich, famous, critically acclaimed. The expected trajectory is one of decline: volume 1, rise; volume 2, fall. Bellow never fell, producing in the latter half of his life some of his greatest fiction (Mr. Sammler's Planet, Humboldt's Gift), winning two more National Book Awards, a Pulitzer Prize, and the Nobel Prize. At eighty, he wrote his last story; at eighty-five, he wrote Ravelstein. In this volume, his life away from the desk, including his love life, is if anything more dramatic than in the first. In the public sphere, he is embroiled in controversy over foreign affairs, race, religion, education, social policy, the state of culture, the fate of the novel. In this stunning second volume, Zachary Leader shows that Bellow's heroic energy and will were present to the very end of his life. His immense achievement and its cost, to himself and others, continue to be worth the examination of this vivid work of literary scholarship.
