The 03 Honda Element has 119 K plus miles on it now so I decided to give it another transmission fluid change. I like to do this around every 35000 miles. Wo...

~~Honda Element Transmission Fluid Change — YouTube~~

Honda used to build very reliable automatic transmissions. But around 2007-2008 they started to become more problematic and less reliable. Keep in mind however that all things are relative. Compared to most other brands, Honda's automatic transmissions are pretty reliable and they will get you well over 100,000 miles before having problems.
