How People Grow: What the Bible Reveals about Personal ...  
This is one of the best books on personal growth that I have read. How People Grow is highly recommended to anyone seeking to change their life, get out of the rut of stagnation, or move to a happier place in their life. It is also recommended to Christian counselors, Pastoral counselors, and others involved with helping people.

Martin McCarthy/E+/Getty Images. Human growth or maturity is prompted by human growth hormone, commonly referred to as HGH, a hormone secreted by the pituitary gland responsible for muscle and bone growth, fat metabolism and the regulation of body composition. Once HGH is secreted, it helps coordinate the various growth processes, such as turning cartilage into bone, one of the main processes responsible for human growth.

How Do Humans Grow? - Reference.com

Book Summary. How People Grow reveals why all growth is spiritual growth and how you can grow in ways you never thought possible. Unpacking the practical and passionate theology that forms the backbone of their counseling, Drs. Henry Cloud and John Townsend shatter popular misconceptions about how God operates to reveal how growth really happens.
