For one-semester courses in human anatomy. Help students visualize human anatomy The #1 best-selling textbook for the human anatomy course, Human Anatomy, Eighth Edition is widely regarded as the most readable and visually accessible book on the market. The book's hallmark strengths - detailed art that teaches better and a student-friendly narrative are enhanced through more prominent in-text media references and updated Focus Figures. Within the text, photos reinforce real-world applications, and cadaver photos and micrographs appear side-by-side with art, working together to help stu.

For one-semester courses in human anatomy. A functional approach to human anatomy, available in a multifunctional eText Human Anatomy, the #1 best-selling textbook for the human anatomy course, is widely regarded as the most readable and visually accessible book on the market. Using a functional anatomy theme, the text presents human anatomy as a well-illustrated "story" with the right amount of detail that learners can understand at an introductory level. Analogies and comparative descriptions make anatomical structures more memorable and understandable, and explain how the shape and composition of structures allow them to perform their functions. The 9th Edition features new exercises and questions that help students learn and use anatomical language and interpret real-world medical images while learning basic human anatomy. Building on the functional anatomy approach of previous editions, selected illustrated tables have been enhanced to tell a more cohesive and logical "story" of human anatomy. In the eText edition, dozens of embedded videos and animations help students visualize, manage, and master anatomical terms and structures, along with instant cross-referencing that eliminates the need to flip pages to connect concepts across body systems. Also available as a Pearson eText or packaged with Mastering A&P: Pearson eText is a simple-to-use, mobile-optimized, and personalized learning experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. If your instructor has assigned Pearson eText as your main course material, search for: 0135273013 / 9780135273012 Pearson eText Human Anatomy -- Access Card, 8/e OR 0135273005 / 9780135273005 Pearson eText Human Anatomy -- Instant Access, 8/e Also available with Mastering A&P By combining trusted author content with digital tools and a flexible platform, Mastering personalizes the learning experience and improves results for each student. Built for, and directly tied to the text, Mastering A&P enables an extension of learning, allowing students a platform to practice, learn, and apply outside of the classroom. If you would like to purchase both the physical text and Mastering A&P search for: 0135205026 / 9780135205020 Human Anatomy Plus Mastering A&P with Pearson eText -- Access Card Package Package consists of: 0135168058 / 9780135168059 Human Anatomy 0135202086 / 9780135202081 Mastering A&P with Pearson eText -- ValuePack Access Card -- for Human Anatomy Note: You are purchasing a standalone book; Pearson eText and Mastering A&P do not come packaged with this content. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. xxxxxxxxxxxxxxxxxxxxxxxx Key Benefit: For those taking the one-semester Human Anatomy course Praised for its atlas-style format, appropriately detailed anatomical illustrations, and exceptionally clear photographs of tissues and cadavers, Human Anatomy is now more visual and interactive.
