[Images of organization - Gareth Morgan - Free Download](#)

Images of Organization is a bestseller book by Gareth Morgan, professor of organizational behavior and industrial relations at the Schulich School of Business at York University in Toronto, which attempts to unveil organization via a number of metaphors. It was first published in 1986.

[Images of Organization - Wikipedia](#)

This pioneering work is based on a simple premise with profound implications- All organization and management theories are based on images, or metaphors, with paradoxical effects- they can create profound insights but also great distortions. With this seminal work, Gareth Morgan shows how managers can broaden and deepen their understanding of organization and organizational problems, and use ...

[Images of Organization - Gareth Morgan - Google Books](#)

Since its first publication over twenty years ago, Images of Organization has become a classic in the canon of management literature. The book is based on a very simple premise—that all theories of organization and management are based on implicit images or metaphors that stretch our imagination in a way that can create powerful insights, but at the risk of distortion.

[Images of Organization - Amazon.co.uk: Morgan, Gareth](#)

In Images of Organizations, Morgan describes how metaphors can be used to describe organizations, which provides a framework for understanding and decision making. Of the eight metaphors he introduced the machine, organism, and brain were the most useful to me. The machine metaphor reminds me of the main body of the army or an industrial factory.
