Innumeracy: Mathematical Illiteracy and Its Consequences ...

Innumeracy: Mathematical Illiteracy and its Consequences is a 1988 book by mathematician John Allen Paulos about "innumeracy," a term he embraced to describe the mathematical equivalent of illiteracy: incompetence with numbers rather than words.

Innumeracy is a problem with many otherwise educated and knowledgeable people. While many people would be ashamed to admit they are illiterate, there is very little shame in saying "I'm a people person, not a numbers person." Or "I always hated math". Pa

Innumeracy (book) - Wikipedia

Paulos claims that the initial purpose in writing *Innumeracy: Mathematical Illiteracy and its Consequences* was to respond to the overwhelming existence of mathematical illiteracy and general misuse. The author believes that many books are written due to anger and freely admits this book is one that falls into that category.

Innumeracy: Mathematical Illiteracy and Its Consequences ...

Innumeracy, an inability to deal comfortably with the fundamental notions of number and chance, plagues far too many otherwise knowledgeable citizens. The same people who cringe when words such as "imply" and "infer" are confused react without a trace of embarrassment to even the most egregious of numerical solecisms.

File Type PDF Innumeracy Mathematical Illiteracy And Its Consequences Penguin

While the book is ostensibly concerned with "mathematical illiteracy", the issue is really the inability of some, ideologues in particular, to put things into perspective; for example over-reacting to a small sample of one kind of event while completely ignoring a more familiar but overwhelmingly huge sample of another kind of event.

Buy Innumeracy: Mathematical Illiteracy and Its ...

Innumeracy: Mathematical Illiteracy and its Consequences by John Allen Paulos Innumeracy refers to mathematical incompetence.

Given the frequency of misleading social media memes that simply don't add up, I'd say the book is as relevant today as it was when published in 1988.
