## International human rights law - Wikipedia

This book gives a good and detailed overview of international human rights law, focusing on sources, substantive obligation issues (such as progressive realisation) and methods of protection (regional, UN). Not much on individual substantive topics such as protection from torture, it is just lumped in with 'rights of an absolute character'.

## International Human Rights Law: Amazon.co.uk: Olivier De ...

International human rights law, which applies at all times including during situations of emergency and conflict, sets out the basic protections that all individuals are entitled to. It is the duty of states to respect, ensure and fulfill these rights.
