Publishers, journalists, and authors can be sued for violating legal standards thousands of miles away from where they work. This book, written primarily for journalists and editors, but of use to their lawyers, explains risks publishers should understand prior to publication, steps to take to avoid legal conflicts, and available defenses in the event of a claim.

International Libel and Privacy Handbook: A Global ...

Media is now a global enterprise. The reach of broadcasting and the Internet has made ignorance of the laws of far-away jurisdictions a real liability.
