The problem in a word: that there are some celebrated ' artists ' out there who are not creating ' art ' at all, but instead dishing up stuff which is altogether less appealing. For a start, which part of all the clutter is the art? Today the art industry slogan 'eye of the beholder' determines the quality of produced works.

Issues In 21st Century World Politics

Aquaculture (less commonly spelled aquiculture), also known as aquafarming, is the farming of fish, crustaceans, molluscs, aquatic plants, algae, and other organisms. Aquaculture involves cultivating freshwater and saltwater populations under controlled conditions, and can be contrasted with commercial fishing, which is the harvesting of wild fish. ...
