Kawasaki ZXR400 R Spec (H1/H2 models — 1989 to 1990)..... The Kawasaki ZXR400 H (aka ZXR400R) was a fully faired sports bike that was manufactured in Japan between 1989 and 1990 and unofficially imported into the UK (sold as a ' grey market ' bike). As with alot of Jap import bikes, the ZXR400 had features that put many of the bigger (800, 750) cc bikes to shame, like upside down forks ...

Now 60 years old, your Slant Six could probably use some freshening up. Slant Six engine expert Doug Dutra has produced this volume to walk you through every aspect of disassembly, evaluation, rebuild, and reassembly in an easy-to-read, step-by-step format. The book also covers modifications, showing how to squeeze the most out of your engine. The year 1960 was an important one in auto manufacturing; it was the year all of the Big Three unveiled entrants in a new class of car called the compact. Chrysler's offering, the Plymouth Valiant, was paired with its redesigned 6-cylinder engine entrant, the Slant Six, known by his nickname the "leaning tower of power." This engine powered the Valiants when they swept the top seven positions in the newly christened compact race that precluded the Daytona 500. With its legacy intact, Chrysler's Slant Six powered Mopar automobiles for decades to come in three displacement offerings (170, 198, 225). With millions of Slant Six engines built over the 30-plus years that the engine was produced, it ' s always a good idea to have this book handy, as you never know when the next "leaning tower of power" will find its way into your garage! p.p1 (margin: 0.0px 0.0px 0.0px; font: 12.0px Arial)

This repair manual covers Suzuki SV650 and SV650S 1999 to 2005.

Agathokles of Syracuse ruled large areas of Sicily and southern Italy between 317 and 289 BC. In this book, Christopher de Lisle argues that Agathokles was an important player in the Mediterranean world at a key moment in its history. Agathokles' career has important implications for our definition of the Hellenistic world and its relationship to both the western Mediterranean and earlier Greek history. However, he has tended not to feature in studies of the Hellenistic world or of ancient Sicily. In ancient discourse about him, in the coins he issued, in his interactions with the world around him, and in the way he ruled, Agathokles is simultaneously heir to a long tradition and actively engaged in his contemporary world. The failure to place Agathokles in both of these contexts up till now has contributed to the development of an excessively deep separation between the western and eastern Mediterranean and between the Classical and Hellenistic periods. This work - the first book-length study of Agathokles in English in over a century - places him in the context of both the earlier history of Sicily, and the developments in the eastern Mediterranean that mark the start of the Hellenistic era. The volume includes a narrative of his career, studies of his coinage and his representation in literary sources, and a series of explorations of important themes and regions.

Agathokles of Syracuse ruled large areas of Sicily and southern Italy between 317 and 289 BC.

Each Clymer manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting, to a complete overhaul of your vehicle. If you ' re a do-it-yourselfer, then you will find this service and repair manual fantastically more comprehensive than the factory manual. When it comes to repairs and modifications, Kawasaki KLR650 is an indispensable part of the tool box. Get ahold of your copy today, and keep your bike running tomorrow.

KLR650 (2008-2012),

By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.
