Build the reader in your child through motivating and engaging literature, scientifically research-based instruction and a wealth of reliable instructional tools. The Scott Foresman Reading Street program prioritizes skill instruction at each grade level, so the focus is on the right reading skill, at the right time, for every child.

Once there was a caterpillar named Farfallina, whose best friend was a gosling named Marcel. They did everything together -- until one day, everything started to change. This beautiful and touching story shows that even as life takes different turns, friendship endures.

When a young child takes his favorite toy along to the park, the market, the lake, and for a car ride, he mistakenly leaves the toy behind.

The creators of the Core Knowledge Series for elementary school students turn their attention to the needs of preschoolers to describe the essential building blocks of knowledge they require to provide a firm foundation for their future educational career, in a read-aloud anthology that covers everything from science and history to songs, stories, and more. Original. 60,000 first printing.

The jar of coins is full. The day has come to buy the chair - the big, fat, comfortable, wonderful chair they have been saving for. The chair that will replace the one that was burned up - along with everything else - in the terrible fire. A book of love and tenderness filled with the affirmation of life.

An assortment of animals, including a goat in a coat, a quick chick, and a hairy bear, ride the bus to and from school.
