Leadership and Self-Deception: Summary & Review in PDF

...

Leadership and Self-Deception shows how the problems that typically prevent superior performance in organizations and cause conflicts in our personal lives are the result of a little-known problem called self-deception. People who are in self-deception live and work as if trapped in a box. They can't see the reality around them--they're blind to the self-serving motivations that are sabotaging them on the job and at home. But there is a way out.

Leadership and Self-Deception draws attention to the importance of changing mindset first; specifically, about the way we view the people we interact with both at home and at work. Mindset is our lens of the world – how we see challenges, situations and people. When our mindset is outward, we view people as mattering like we matter.

Leadership and Self-Deception PDF Summary - Arbinger Institute

After reading Leadership and Self-Deception, which is an excellent book, I have come to the conclusion that I have been living my life in the box with self-deception. During conversations with my husband I sometimes felt that I was a large part of the problem. After reading this book I realized that I was the number one problem.
