Patrul Rinpoche, the beloved nineteenth-century master best known for *Words of My Perfect Teacher*, collected the teachings of the tenth-century adept Aro Yeshe Jungne and synthesized them into the short text translated here as *Clear Elucidation of True Nature*. How to put these essential teachings into practice is the subject of the lively commentary by the two Khenpo brothers, the late Khenchen Palden Sherab Rinpoche and Khenpo Tsewang Dongyal Rinpoche. The Dzogchen meditation instructions of the Aro lineage are divided into nine sets, or nine levels, with specific

File Type PDF Light Of Fearless Indestructible

instructions for each on how to identify the nature of the mind, how to abide in it as a way of life, and how to liberate turbulent thoughts and emotions when they arise. The commentary enfolds this instruction into a broad general teaching suitable for beginners that serves as an introduction to Dzogchen meditation, to the Nyingma tradition, and to basic Buddhism.

With its analytic focus on the cultural production by Tibetans-in-exile, this volume examines contemporary Tibetan fiction, poetry, music, art, cinema,

pamphlets, testimony, and memoir. The twelve case studies highlight the themes of Tibetans' self-representation, politicized national consciousness, religious and cultural heritages, and resistance to the forces of colonization. This book demonstrates how Tibetan cultural narratives adjust to intercultural influences and ongoing social and political struggles in exile.

The essays collected in *The Selfless Ego* propose an innovative approach to one of the most fascinating aspects of Tibetan literature: life writing.

File Type PDF Light Of Fearless Indestructible

Departing from past schemes of interpretation, this book addresses issues of literary theory and identity construction, eluding the strictures imposed by the adoption of the hagiographical master narrative as synonymous with the genre. The book is divided into two parts. Ideally conceived as an 'introduction' to traditional forms of life writing as expressed in Buddhist milieus, Part I. Memory and Imagination in Tibetan Hagiographical Writing centres on the inner tensions between literary convention and self-expression that permeate

File Type PDF Light Of Fearless Indestructible

Indigenous hagiographies, mystical songs, records of teachings, and autobiographies. Part II: *Conjuring Tibetan Lives* explores the most unconventional traits of the genre, sifting through the narrative configuration of Tibetan biographical writings as 'liberation stories' to unearth those fragments of life that compose an individual's multifaceted existence. This volume is the first to approach Tibetan life writing from a literary and narratological perspective, encompassing a wide range of disciplines, themes, media, and historical periods, and

File Type PDF Light Of Fearless Indestructible

thus opening new and vibrant areas of research to future scholarship across the Humanities. The chapters in this book were originally published as two special issues of Life Writing.

The revelations of Düdjom Lingpa, a highly influential mystic of 19th century Tibet, translated by B. Alan Wallace, widely respected for his lucid and readable translations of Tibetan Buddhism. Düdjom Lingpa (1835-1904) was one of the foremost tantric masters of his time. This new series includes his visionary teachings on the Great Perfection (Dzogchen), the

pinnacle of practice in Tibet's oldest Buddhist school. Volume 1 contains four works explaining the view and practice of the Great Perfection, the signature style of meditation of the Nyingma school of Tibetan Buddhism: The Sharp Vajra of Conscious Awareness Tantra: This work is considered the root distillation of Düdjom Lingpa's wisdom. Essence of Clear Meaning: This definitive commentary, which unpacks the quintessential verses of The Sharp Vajra, is based on Düdjom Lingpa's oral teachings recorded by his disciple Pema Tashi. The Foolish Dharma of an Idiot

Clothed in Mud and Feathers:
Dudjom Lingpa narrates the
essential Dharma teachings
from the perspective of an
old man rejecting
superficial appearances. The
Enlightened View of
Samantabhadra: A masterful
exposition of the Great
Perfection is revealed as a
dialogue between wisdom
beings who bestow a treasury
of pith instructions and
specific advice for
practitioners. While the
teachings in this series
have inspired generations of
Tibetans, few have been
published in
translation—until now.

Counsels from My Heart is

File Type PDF Light Of Fearless Indestructible

one of the few volumes of teachings by Dudjom Rinpoche, a legendary meditation master of the Nyingma lineage of Tibetan Buddhism, to become available in English. It features talks to students presented in Dudjom Rinpoche's characteristically incisive and direct style, bringing the timeless heart-counsels of this great teacher vividly to life.

A tulku is a fully enlightened one (buddha) or highly accomplished adept (siddha) who chooses to be reborn again and again for the benefit of all beings.

File Type PDF Light Of Fearless Indestructible

Most tulkus, though, are the rebirths of well-trained masters who are engaged in spiritual training and serving others. Tibetan Buddhists have, for well over a millennium, been meticulously following the tradition of finding, recognizing, enthroning, training, and venerating these revered figures who provide teachings of liberation for both monks and laypeople. This guide to the tulku tradition covers its long history, separating fact from fiction, giving an overview of how the system works, and providing short biographies of some of the great tulkus of the past and

The definitive presentation of one of the most unique and compelling works of classical Tibetan literature. This book presents an influential and extraordinary teaching of the Kagyü tradition of Tibetan Buddhism known as the Single Intention by the master Drigung Jikten Sumgön (1143–1217), along with its chief commentaries, principally the Light of the

File Type PDF Light Of Fearless Indestructible

Sun by Rikzin Chökyi Drakpa (1595-1659). Early in the history of the Kagyü school, the teachings of Jikten Sungön were condensed into 150 core formulations called vajra statements. These pithy, revelatory statements comprise the Single Intention (Dgongs gcig), which presents the thought of the Buddha and the nature of the ineffable (brjod du med pa) in concise and direct expression. The Single Intention weaves the thread of ineffable mahamudra through the entire fabric of Buddhism. It presents mahamudra as pervading disciplined conduct, meditative

concentration, and
discriminative knowledge;
ground, path, and result;
view, practice, and conduct;
and the “three vows” of
pratimoksa, of the
bodhisattvas, and of mantra.
Jikten Sumgön teaches how
the fundamental values and
insights revealed by the
Buddha are woven into
reality and therefore
accessible to all. Jan-
Ulrich Sobisch manages to
convey the unity of the
Buddha’s message both in its
particulars and in its
scope. His deep and
authoritative skill makes
this the definitive
presentation of one of the
most unique and compelling

works of classical Tibetan
literature.
