Nino Ricci's 1990 novel *Lives of the Saints* is the acclaimed first book of a trilogy about the life of Vittorio Innocente, a boy who immigrates to Canada from Italy. In this trilogy, Ricci, himself a first generation Canadian of Italian descent, melds together three genres: the coming-of-age story, the loss of innocence narrative, and the experience of leaving one country for another.

Women are declared weak and are only good in the household. In the *Lives of the Saint*, at that time and in their tradition, women are considered to be poor and well-done in their household work. Nino Ricci's character Cristina is against the traditional Women's Role in Valle Del Sole through her rebellious nature, her Disbelief in superstition and religion, and her Feminist mindset.

Saint Nina Equal to the Apostles and the Enlightener of Georgia was a woman who preached Christianity in the territory of Caucasian Iberia, of what is now part of Georgia. It resulted in the Christianization of the royal house of Iberia, with the consequent Christianization of Iberia. According to most widely traditional accounts, she belonged to a Greek-speaking Roman family from Kolastra, Cappadocia, was a relative of Saint George, and came to Georgia from Constantinople. A classic of Canadian literature, Lives of the Saints has earned many distinctions since it was originally published in 1990. It was a national bestseller for seventy-five weeks, received the Governor Generals Literary Award for Fiction, the W.H. Smith / Books in Canada First Novel Award, and the F.G. Bressani Prize.

Set in the Valle del Sole, a village nestled in the folds of the Italian Apennines, Lives of the Saints tells the story of young Vittorio Innocente, and his mother, Cristina, whose affair with a blue-eyed stranger abruptly shatters the innocence of Vittorio's childhood. As he tries to piece together the truth of his mother's crime, we discover through Vittorio's eyes the underside of Valle del Sole's pastoral calm, the age-old superstitions and fears, vestiges of a pagan past, beneath the villagers' veneer of Catholicism, and the hypocrisy and malice beneath their self-righteousness.

National Bestseller A New York Times Best Book Winner of the Governor General's Literary Award for Fiction Winner of the Books in Canada First Novel Award Winner of the F.G. Bressani Prize Winner of the Betty Trask Award Winner of the Winifred Holtby Memorial Prize First published thirty years ago, Lives of the Saints moves to Anchor Canada What really happened to Vittorio's mother that day in the stable? That she'd been bitten by a snake was clear enough: the swelling in the ankle proved it. But that other swelling, the one that led eventually to his mother's long, loose dresses, to those dark, cold stares from the other villagers--what strange thing could be taking shape there in his mother's belly, and what doom would it carry them all to?

After a harrowing voyage from Italy, during which his mother died, seven-year-old Vittorio arrives in Canada with his newborn half-sister, and is reunited with his estranged father, a dark, isolated, and angry figure he hardly knows. The story that follows spans two decades of

Vittorio's life within an immigrant Italian farming community in Southwestern Ontario, through his university years, and then into Africa where he goes to teach. At the centre of Vittorio's existence is his strained relationship with his father and with his half-sister, Rita. In a Glass House is a haunting tale about perseverance and longed-for redemption. Ricci juxtaposes the intimate, complex world of family, with "its shadowy intricate web of alliances," against the dislocations of the immigrant experience. The result is a richly textured and memorable novel.

Set in Toronto and Italy, this powerful sequel to *In a Glass House* explores the sometimes forbidden aspect of desire and one's longing for what is unrecoverable. Victor Innocente reunites his half-sister in Toronto, shortly after his father's death. Uneasy with their new proximity in each other's lives, they are at first restrained. But gradually what is unspoken between them comes closer to the surface, setting in motion a course of events that will take Victor back to Valle del Sole in Italy, the place of his birth. It is there, where the story had its strange beginning twenty years earlier, that he confronts his past, its secrets and its revelations. Poignant, gripping, and written in luminous, highly charged prose, *Where She Has Gone* is an unforgettable novel – for its vivid portrayal of character and place, and for its extraordinarily moving encounter with the past.

Winner of the Los Angeles Times Book Prize and the Canadian Governor General's Award for Fiction Set in a small, golden village nestled in folds of the Italian Apennines, *The Book of Saints* is a deceptively simple novel of startling power and mythic dimension. Young Vittorio Innocente is the pampered son of Cristina, a woman whose husband has left Italy for work in North America. Beneath her placid surface, Cristina yearns to escape the restrictive village; and, one day, Vittorio is startled to find her in the family's stable, her ankle swelling from a snakebite. But what really happened to Cristina that day becomes the center of this tale—a story of passion and superstition beneath pastoral calm, a mother's secret life witnessed by a child. The first novel in a trilogy that follows Vittorio to adulthood, *The Book of Saints* is Ricci's acclaimed debut.

Winner of the 2008 Governor General's Award for Fiction Montreal during the turbulent mid-1980s: Chernobyl has set Geiger counters thrumming across the globe, HIV/AIDS is cutting a deadly swath through the gay population worldwide, and locally, tempers are flaring over the recent codification of French as the official language of Quebec. Hiding out in a seedy apartment near campus, Alex Fratarcangeli ("Don't worry. . . . I can't even pronounce it myself"), an awkward, thirty-something grad student, is plagued by the sensation that his entire life is a fraud. Scarred by a distant father and a dangerous relationship with his ex Liz, and consumed by a floundering dissertation linking Darwin's theory of evolution with the history of human narrative, Alex has come to view love and other human emotions as "evolutionary surplus, haphazard neural responses that nature had latched onto for its own insidious purposes." When Alex receives a letter from Ingrid, the beautiful woman he knew years ago in Sweden, notifying him of the existence of his five-year-old son, he is gripped by a paralytic terror. Whenever Alex's thoughts grow darkest, he recalls Desmond, the British professor with dubious credentials whom he met years ago in the Galapagos. Treacherous and despicable, wearing his ignominy like his rumpled jacket, Desmond nonetheless caught Alex in his thrall and led him to some life-altering truths during their weeks exploring Darwin's islands together. It is only now that Alex can begin to comprehend these unlikely life lessons, and see a glimmer of hope shining through what he had thought was meaninglessness.

A fictional biography of the earthly life of Jesus told from the perspectives of four fascinating figures, by the author of *Where She Has Gone*. In powerful accounts colored by their own

beliefs and devices, the following men and women tell the captivating story: Yihuda of Qiryat (Judas Iscariot), a freedom fighter working for Rome's overthrow who is drawn to the charismatic teacher; Miryam of Migdal (Mary Magdeline), a disciple who finds in Jesus' presence the intellectual stimulation that society has denied her. Miryam (Mary), the mother of Jesus, who has a complex relationship with her precocious son, and Simon of Gergesa, a plainspoken shepherd who travels to Jerusalem and witnesses the last days of the Jewish preacher. With exquisite detail, Nino Ricci offers a provocative portrait of the historical Jesus, an ordinary man living in a time of political turmoil and spiritual uncertainty. Praise for Testament "A hypnotic, deeply lyrical presentation of four gospels A writer of impeccable craft . . . recreating, in his incantatory prose, the very aroma and the wild, sorcery-filled world through which Jesus walked." —Pico Iyer, Los Angeles Times Book Review "A fantastic storyteller . . . an unsettling book . . . The four narrators Ricci creates are exceptionally well drawn and brilliantly infused with the details of their time." —Ron Charles, Christian Science Monitor "The portrait of a difficult, alienated, but compassionate and charismatic intellectual and religious rebel . . . The character that emerges is complex, compelling, and achingly heroic." —Christine Wald-Hopkins, Denver Post and Rocky Mountain News

One of Publishers Weekly's Best Books of the Year Winner of the Christopher Award Winner of the Catholic Press Association Book Award WITTY, WRYLY HONEST, AND ALWAYS ORIGINAL, My Life with the Saints is James Martin's story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. In his modern classic memoir, Martin introduces us to saints throughout history—from St. Peter to Dorothy Day, St. Francis of Assisi to Mother Teresa—and chronicles his lifelong friendships with them. Filled with fascinating tales, Martin's funny, vibrant, and stirring book invites readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives. Featuring a new chapter from Martin, this tenth-anniversary edition of the best-selling memoir updates readers about his life over the past ten years. In that time, he has been a New York Times best-selling author, official chaplain of The Colbert Report, and a welcome presence in the media whenever there's a breaking Catholic news story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes a foreword that shows how Martin has become one of the wisest and most insightful voices of this era. "An outstanding and often hilarious memoir." —Publishers Weekly "One of the best spiritual memoirs in years." —Robert Ellsberg "Remarkably engaging." —U.S. Catholic "Martin's final word is as Jungian as it is Catholic: God does not want us to be Mother Teresa or Dorothy Day. God wants us to be most fully ourselves." —The Washington Post Book World
