To achieve this, Managerial Accounting, 11/E, focuses, now as in the past, on three qualities: Relevance: Every effort is made to help students relate the concepts in this book to the decisions made by working managers. With insightful chapter openers, the popular Managerial Accounting in Action segments within the chapters, and stimulating end-of-chapter exercises, a student reading Garrison should never have to ask "Why am I learning this?"

I took managerial accounting for the first time with a fairly difficult instructor and this book really helped me. If it weren't for the clear and helpful examples, I would have failed the class. The book is filled with real-world, easy to understand examples which makes the difficult-for-newbie accounting methods as simple as humanly possible.
